Continuing Education 9

Dear SOHN Colleagues,

As I attended the mid-winter board meetings for SOHN and ENT-NF this past January, I realized that many members do not understand the function of the Ear, Nose and Throat Nursing Foundation. Unless you are serving on the Board of Directors and are exposed to the decisions and discussions that take place at the meetings, the Foundation's purpose is not clear. Let me take a minute to discuss the importance of our foundation.

Just over fifteen years ago, a group of forward-thinking SOHN nurses, an ENT physician and a corporate sponsor founded ENT-NF. Such an organization had been discussed for a while, but the factors to bring the Foundation to fruition were not there. Then in 1997 all the pieces came together and the Foundation was created. The ENT-NF Founding Task Force consisted of Mary LeGrand, SOHN President at the time, Kim Pollock and Ann Sievers, long-time active SOHN members, Lorie Sparacino, our current Director of Education, Linda Schuring, and Margie Hickey, SOHN Past Presidents, Sandra Schwartz, our Executive Director then and now, Dr. Michael Maves, a long-time supporter of SOHN and John Adams, CEO of Adams Laboratory and corporate sponsor.

The purpose of the Ear, Nose and Throat Nursing Foundation is to support education and research in otorhinolaryngology nursing. It is a non-profit corporation that raises funds and grant monies deemed appropriate by the board for use by the Society. The mission of this Foundation is to enhance the care of the ear, nose and throat patient, by advancing the art and science of nursing through education and research funded by donations of individuals, corporations and health care providers. This Foundation is working for you!

Who are the Foundation's donors? When you buy a raffle ticket at the SOHN Annual Congress, those proceeds go to the ENT-NF. This year a new record amount was set at \$6,000. The "Stepping Forward for the Foundation" Walk at congress made \$1,575. Those funds also go to the ENT-NF. Individual members, chapters and the Board of Directors raised almost \$10,000 dollars last year. Corporations donated \$11,500. All that grant writing is done by our executive director.

The Foundation is developing an endowment for the otolaryngology nursing community and their patients. By assessing and responding to emerging and changing community needs and activities, by serving as a resource and a catalyst for philanthropy, the Foundation can endow educational and research opportunities for you! Last year ENT-NF funded three lectureships, four Poster Awards, the Literary Award, and an additional \$1337 for Congress educational expenses.

Every year, during the Annual Foundation Campaign, an appeal is sent to each SOHN member. It is important for you to give at any time, no matter the amount. Every donation can grow to endow more educational programs that benefit YOU! So now you know about the Ear, Nose and Throat Nursing Foundation. And, now it is time to invest in your future!

Take Part in Oral, Head and Neck Cancer Awareness Week®

April 14–20, 2013

ORAL, HEAD & NECK
CANCER AWARENESS WEEK

The 16th Annual Oral, Head and Neck Cancer Awareness Week® (OHANCAW®), sponsored by the Head and Neck Cancer Alliance, is scheduled for April 14 – 20, 2013. OHANCAW is a weeklong series of events promoting awareness of this potentially life-threatening disease, highlighted by a day of free oral cancer screenings held at medical offices throughout the country. According to a brand new Harris Interactive survey, 71% of Americans say they have not been examined by a medical professional for oral, head and neck cancer. Given the rise in oral cancers related to human papillomavirus (HPV), screening for and early detection of this disease is more important than ever. The Alliance is urging you to participate by conducting a free screening at your medical practice, clinic, hospital or university. For more details, promotional materials including posters, T-shirts and media kits, and registration information, please visit www.OHANCAW.com and follow us on Facebook and Twitter.
