President's Message

Dear Colleagues,

As I sit to write this message here in Texas, spring has begun to blossom while I hear of the continued winter storms throughout the nation. We are enjoying warm weather, flowers blooming, trees and shrubs budding and gardens planted.

Another item that is blooming that I would like to inform you about is the SOHN 42nd Annual Congress and Nursing Symposium "Building the Best... ORL Nursing" to be held in Atlanta, Georgia, October 5-8, 2018. The SOHN designated hotel will be the Westin Peachtree Plaza Hotel. What an exciting program it is turning out to be, jam packed with many excellent speakers, exhibitors and activities.

Our opening ceremony presenter is Carolyn Jones, a prominent photographer, writer, filmmaker and dynamic speaker. She has created works on global issues in multiple media formats and is well known for "The American Nurse Project" portraying nurses throughout the nation in a variety of different settings. This project was launched with a photo exhibit at the American Nurses Credentialing Centers National Magnet Conference in Los Angeles in 2012. There is now a book and documentary recording the interviews and photographs of this wonderful representation of nurses.

Pre-Congress will start with our popular ORL Nursing Pharmacology Day and the Comprehensive ORL and Head-Neck Nursing Course on Friday. Early Saturday morning, the First Timer's meeting will start the day with all the committee meetings following. Everyone is welcome and encouraged to attend the First Timers meeting to share information and then bring a newcomer to a committee meeting to help build our committees and encourage first timer's participation. After the opening ceremony on Saturday, the days are filled with sessions and topics to please every ORL nurse. New procedures and updates to older treatment plans will be discussed throughout the days. Two suture workshop programs will be provided with limited enrollment to allow for close supervision and instruction.

Our all-important SOHN Exhibition Hall will open on Sunday and conclude on Monday. The exhibitors provide an excellent opportunity to learn about new products for your practice and are a great addition to our Congress.

Also to help support our Foundation, our fun ENT-NF Great Raffle will continue again this year. Besides being a great avenue of raising money for our ENT-NF, it is lots of fun to see the items donated, tickets drawn and winners announced.

It is not too early to get ready for the ENT-NF "Stepping Forward for the Foundation" Sunday morning walk. Sign up for the "Stepping Forward for the Foundation" event, pick up your t-shirt and get out there and join the SOHN Walking Legends as they stride through Centennial Olympic Park.

The SOHN Business Meeting will be held on Monday morning. It is a time to announce the election winners from the electronic voting. Sharing and conducting the business of the organization, awarding of ribbons and certificates, networking with fellow colleagues and installing the new officers are just a few things that go on during this important meeting. We invite and encourage everyone to attend. Other times for networking while in attendance will include our "Meet the Poster Presenters" on Saturday evening followed by our SOHN President's Reception.

Atlanta offers so many things to do around town. I hope everyone will find time to sightsee while attending Congress. Some highlights are World of Coca-Cola, CNN Center, Atlanta Botanical Gardens, Georgia Aquarium, and the College Football Hall of Fame. Atlanta as the largest city in the state has managed to maintain its historic character. Stop by the Atlanta History Center or visit the Martin Luther King Jr. Historical Site, a tribute to an American icon. Browse through the former home of famous author Margaret Mitchell or pop into the Jimmy Carter Library. It will be difficult to choose which place to visit.

Although the program is shortened by half a day, it is filled with just as many contact hours as before. It will be your chance to participate in the 42nd Annual Congress and Nursing Symposium to learn, network, participate and meet life long colleagues and friends. Send in your registration and be ready to "Build the Best...ORL Nursing".

See you there!

Carolyn Waddington

Keynote Address

The American Nurse

Carolyn Jones

Carolyn Jones is an award-winning photographer and filmmaker who specializes in telling stories that shed light on issues of global concern. From people “living positively” with AIDS to women artisans supporting entire communities and nurses on the front lines of our healthcare system, Carolyn Jones has devoted her career to celebrating invisible populations and breaking down barriers. Her most widely acclaimed book publications include *Living Proof: Courage in the Face of AIDS* and *The American Nurse*, which led to a feature documentary included in the U.S. State Department’s American Film Showcase. Her newest project, the documentary *Defining Hope*, is currently being broadcast on PBS stations nationwide, and represents the culmination of a journey investigating how we can make better end-of-life choices.

Monday, October 8 • 1:15 pm

Health Policy

The Opioid Epidemic

Anne M. McKenzie-Brown MD

Anne Marie McKenzie-Brown, MD is an Associate Professor at the School of Medicine in the Emory Department of Anesthesiology. She has been the Division Chief of the Pain Division and the Director of the Emory Pain Center for over ten years. She has been a practicing pain physician for over twenty years. Most recently she was a member of the National Academies of Sciences, Engineering and Medicine Committee that authored the 2017 Consensus Study Report on Pain Management and the Opioid Epidemic.

Monday, October 8 • 3:15 pm

Closing Session

Resilience: The Difference Between Surviving and Thriving

Sandra C. Leake DNP RN NEA-BC

Chief Nursing Officer, Atlanta VA Medical Center Ms. Sandy Leake, MSN, RN, has officially held the position of Associate Director for Nursing/Patient Care Services and Chief Nursing Officer at the Atlanta Veterans Affairs Medical Center (VAMC) since 1998. During her tenure, she has served in a variety of other capacities including Associate Director and Interim Medical Center Director on numerous occasions. In 2008, at the request of the Veterans Health Administration (VHA) Chief Nursing Officer, she served a four month detail as the Director of Workforce in the VHA Office of Nursing Services in Washington, DC.

Ms. Leake possesses 30 years of diversified nursing experience characterized by increasingly responsible positions and proven outcomes in executive leadership and management, coaching and mentoring, and workforce development across VHA. She is a frequently requested speaker at local, regional and national conferences. Additionally, as one of the most tenured nursing executives in VHA, she is often asked to provide consultative guidance to executives, national program offices, and health care systems across VHA and beyond. Her accomplishments are many, and include leading her organization’s efforts to achieve Magnet® designation by the American Nurses Credentialing Center in 2009.

Building the Best...ORL Nursing!

October 5-8, 2018 Westin Peachtree Plaza Hotel - Atlanta, Georgia

Come together in Atlanta, Georgia with your nursing peers for the SOHN 42nd Annual Congress. Highlights include evidenced-based innovations and research related to ORL and Head-Neck care. Learn the latest in treatments and interventions. You'll find content that meets your learning needs.

Atlanta isn't just Georgia's capital and largest city, it's also a hub of southern entertainment and culture. It is the symbol of the "New South" wrapped up in Southern Charm. Iconic examples of postmodern architecture dot the cityscape, while vibrant arts icons like the High Museum of Art and the Atlanta Opera thrill tourists and residents alike. While Atlanta is sprawling with towering buildings

made of glass and steel, it is truly a city in the forest, dotted with expansive green spaces. This urban oasis is a multi-cultural haven for residents and visitors alike, yet exudes Southern hospitality. Individuals from all walks of life add to the city's charm and personality.

Centennial Olympic Park is Downtown's centerpiece and is anchored by the Fountain of Rings, an everlasting reminder of the 1996 Summer Olympic Games. Next door, attractions surround Pemberton Place such as Georgia Aquarium, World of Coca-Cola and Center for Civil and Human Rights. Atlanta Streetcar is the city's modern-day trolley, carrying passengers from the convention and entertainment district to the eastside of the city.

Atlanta's rich history comes to life in Sweet Auburn Historic District, once the wealthiest black community in America. The area is a focal point for the American civil rights movement, as the Martin Luther King Jr. National Historic Site and Ebenezer Baptist Church are located within the district.

Beyond the city's core, Atlanta's "in town" neighborhoods are packed with personality. Midtown mixes elegance with culture. The Westside has become a magnet for foodies, design enthusiasts and shoppers. Buckhead blends boutiques and galleries with fabulous dining, while Little Five Points keeps it funky through bohemian grunge paired with eclectic shops and music spots.

In Atlanta, chef-run restaurants dish up modern American cuisine in strikingly beautiful spaces. Among the cutting-edge eateries are cozy diners, cafés and bistros. The ethnic mom-and-pop restaurants along Buford Highway offer menus with little English and lots of flavor. Locally-owned craft breweries sprinkle the city, creating an unofficial ale trail for visitors to enjoy.

Atlanta sits at the intersection of Southern charm, creativity and sophistication. It is easy to fall in love with this beautiful city – its world-class attractions, award-winning dining and hidden wonders – and be inspired by the city's endless possibilities.

General Information

Registration Information Register and pick up registration packets at the Westin Peachtree Plaza Hotel

Early-Bird Discount Early registration for the annual meeting is strongly encouraged and will afford you a considerable savings.

SOHN Registration Includes

- Admittance to all SOHN educational programs *(Pharmacology Course and Comprehensive ORL and Head-Neck Nursing Course require an additional fee)*
- Access to Online Handouts
- Business Meeting
- Proceedings Book
- SOHN Exhibit Hall
- Coffee Breaks
- Poster Presentations
- Contact Hours
- Meet and Greet Reception

Pre-Registration

Early Bird and Regular registrants will receive a receipt in the mail. To receive your prepared packet, bring your receipt to the SOHN Registration Booth (hours listed in the Program) at the Westin Peachtree Plaza Hotel. You will need this packet before attending courses, so allow ample time for the registration process. The pre-registered EARLY BIRD and REGULAR fees are lower than ONSITE fees. And, if you pre-register, you will avoid delays while your meeting materials are prepared.

Non-Members

Non-member Registered Nurses and LPNs/LVNs may apply, pay dues, and obtain Member rates for Congress at the same time, resulting in savings on Congress registration. Eligible non-members are encouraged to become SOHN members at this time. Those ineligible for membership may receive our publications and mailings by becoming a subscriber and are welcome to attend Congress.

Early-Bird Registration

Must be postmarked no later than July 18
SOHN Member \$495 Non-Member \$625

Regular Registration

Postmarked between July 18 and September 20
SOHN Member \$565 Non-Member \$695

On-Site Registration

After September 20, please register on-site. You must be registered and receive your Congress packet before attending any classes, so plan your arrival time to allow for the registration process.

SOHN Member \$590 Non-Member \$720

Building the Best...ORL Nursing!

Daily Rate

Badges will indicate daily attendees. *(Please indicate which day(s) you plan to attend on the registration form.)*

Early-Bird - Must be postmarked no later than July 18

SOHN Member \$225 Non-Member \$255

Regular – Postmarked between July 18 and September 20

SOHN Member \$275 Non-Member \$300

On-site after September 20

SOHN Member \$300 Non-Member \$330

Registration/Information Booth Hours

Friday 7:00 am – 5:00 pm

Saturday 7:30 am – 5:15 pm

Sunday 8:30 am – 5:30 pm

Monday 7:30 am – 4:30 pm

Congress Attire

Business attire is appropriate for attending educational sessions and exhibits. A sweater or light jacket may also be necessary during the sessions, as the rooms often become cold.

Course Information

Registered attendees can earn 25.5 contact hours, depending on sessions attended at the 2018 SOHN Annual Meeting through attendance at the ORL Pharmacology Course or the Comprehensive ORL and Head-Neck Nursing Course, Opening Ceremony, General and Closing Sessions, concurrent sessions and poster session. Contact hour totals are based on the 60 minute contact hour as outlined by ANCC.

Conference Outcomes

- Empower ORL nurses to disseminate and incorporate the knowledge gained at Congress in their daily practice.
- Engage ORL nurses in an environment of peer networking, collaboration and rejuvenation.
- Enlighten ORL nurses at all levels of professional roles and responsibilities.

Accreditation - Nursing Contact Hours

The Society of Otorhinolaryngology and Head-Neck Nurses is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Accreditation as an American Nurses Credentialing Center's Commission provider refers only to its continuing nursing education activities and does not imply ANCC Commission on Accreditation endorsement of any commercial products.

The maximum number of nursing contact hours attainable for this program is 25.5 hours.

Successful Completion

To successfully complete the education requirements of the SOHN Annual Meeting, registered attendees will be required to provide:

- Full attendance at sessions with no more than 5 minutes missed
- Completion of the session evaluation through the online evaluation process

Evaluations and Nursing Contact Hour Certificates

Each participant will receive a unique identifier via email from Express Evaluations to use on a dedicated website. You may enter your evaluation information online during the SOHN Congress on your computer, at the business center or wait until you arrive home. You must complete both program and session evaluations to receive contact hours and to print your certificate. In addition to a certificate, you will also receive a print out of the sessions you attended. You can even direct your certificate to your email address and print it out at your leisure. And, if you lose your certificate, you can print it again. The immediate feedback will also assist the SOHN Education Committee in planning next year's program.

Hotel Reservations

Hotel reservation information is available on the SOHN website, www.sohnnurse.com. All SOHN activities will be held at the Westin Peachtree Plaza Hotel. Please identify yourself as a SOHN Conference Attendee. Support SOHN and register to stay at the Westin!!

Atlanta Airport

Atlanta is home to the busiest and most efficient airport in the world, Hartsfield-Jackson Atlanta International Airport.

Local Transportation

MARTA, Atlanta's public transportation system, offers easy-to-navigate rail and bus service with fares starting at \$2.50. Accessible directly from the airport, MARTA provides public transportation that is convenient, safe and clean.

Taxis

Atlanta has established set taxi fares between the airport and the downtown convention district and several other locations. Understanding Zone Fare vs. Metered Fare-Atlanta is unique from most cities, in that the most heavily trafficked areas are set on flat rate zone fares. This is why many times you will not see the driver start the meter. However, when traveling to a point outside of the zone, the driver will start the meter at the point of exiting the zone boundary, and the fare will be a total of the zone fare plus the additional metered distance to the destination.

Rideshare Apps

The emergence of rideshare apps such as Uber and Lyft are also convenient options for getting around Atlanta. Schedule a reservation or find the airport's designated pick-up and drop-off locations that will help to make your visit to Atlanta effortless.

Streetcar

The Atlanta Streetcar is now rolling in Atlanta. Four modern vehicles will transport riders on a 2.7 mile track connecting Atlanta's convention district at Centennial Olympic Park to the Martin Luther King Jr. National Historic Site just east of the city. The streetcar puts visitors just a short ride away from more than 300 restaurants, downtown hotels, and top venues and attractions. The low-cost fares for the Atlanta Streetcar make it a breeze to get around downtown starting at just \$1.00! Atlanta Streetcar fares can be purchased with the same Breeze Card system utilized by MARTA rail and bus services.

AAO Exhibit Hall Daily Passes

The AAO-HNSF Exhibit Hall will be located in Georgia World Congress Center. Daily passes are available for \$125 per day through SOHN advance registration. Designate your choice of day on the registration form. (**After August 31, exhibit hall passes may be purchased from the AAO-HNSF at the Georgia World Congress Center for \$150.)

Sunday, October 7 - 9:30 am - 5:00 pm

Monday, October 8 - 9:30 am - 5:00 pm

Tuesday, October 9 - 9:30 am - 3:30 pm

Living Green!

Congress 2018 will continue to be eco-friendly. Less paper, less hassle and more benefits for the attendees. Handouts will be distributed online! All registered attendees will have access to session handouts before and after the meeting. Education session handouts submitted before Congress will be placed on SOHN's website for easy access, review and printing. Visit www.sohnnurse.com after September 25 and select the Meetings/Educational Offerings Section to download, print and to learn more. Please note that paper copies of these handouts will not be available on-site.

Noteworthy Courses & Events

Saturday, October 6 • 6:00 – 7:30 pm

SOHN President's Reception

Westin Peachtree Hotel

Join SOHN President, Carolyn Waddington for a delightful evening of social exchange with new and old acquaintances. Greet the Board of Directors and let them inspire you to be involved. Stroll leisurely through the poster presentations and learn new techniques or practices. Visit with the Candidates and hear their positions. Unwind and enjoy Lite Bites - a delectable cheese display with fresh seasonal fruit, berries, flatbreads, garden fresh crudité's with hummus and other dips. Other delectable selections will be served. Cash Bar.

Friday Evening, October 5

Agatha's ~ A Taste of Mystery...Another SOHN Thriller

Limited Availability - \$73

For over 30 years Agatha's (Mystery Theater) has been entertaining Atlanta with its unique, original, and hilarious murder mysteries. We've been featured on various TV shows and our actors are some of the funniest and most talented people in the Southeast. Our special brand of comedic murder mysteries are centered on making sure that the audience is always laughing. If you've been to an interactive murder mystery show before, we can honestly tell you, you haven't experienced anything until you've been in to see us. And if you've never been to a show with us before and you're scared to try, we promise you one thing, you are GOING to have a great time.

Intimate Venue

We are a comedy murder mystery dinner theater with audience participation. Now, our audience participation is a little different than other murder mysteries, but it's also WAY more fun. Two professional actors greet all guests at the door to explain how the evening is going to be played out. At that time, the actors will give every audience member a part in the show. Parts can range from playing a character in the show, complete with costuming, or a smaller part in a group.

The Dinner

Agatha's serves a five-course meal every night. The first course to enjoy is appetizers, served buffet style. Appetizers change throughout the orientation process before the show begins, so audience members can come back as many times as they'd like, and try some great new items.

Your second course is a cup of Agatha's house-made soup. All of our soups are made in-house by Agatha's chefs from fresh, never frozen ingredients.

Your next course is a small house salad, with fresh tomatoes, cucumbers, and mushrooms with your choice of two dressings. Enjoy this course with a glass of wine that is included in the price of the ticket.

The entrees at Agatha's are something that we are extremely proud of. Most dinner theaters give you one basic choice of chicken, beef, or fish. Agatha's has taken that one step further by giving you two choices of chicken and fish, a beef option, a pork option, and we haven't forgotten about vegetarians either. And as always, if you have a food allergy, we'll try all we can to accommodate you. These entrees change seasonally with each show, and are always made with the freshest ingredients.

Your final course is Agatha's home-made dessert. Agatha's can be a long, fun night and you are going to want to leave room for dessert. Made from the freshest seasonal ingredients, these desserts change with each show.

Tuesday, October 9 • 9:00 AM – 12:00 Noon
Visit the Jimmy Carter Presidential Library and Museum

Join the Atlanta Chapter in a Special Limited Event

Limited Availability - \$8 with transportation provided by Atlanta Chapter members

Located on 35 acres of beautifully landscaped grounds, The Carter Presidential Library is one of 13 presidential libraries in the United States administered by the National Archives. The award-winning museum features two to four national traveling exhibits a year. The permanent exhibits highlight Carter's life and career. Visitors can step into an exact replica of the Oval Office, experience a day in the life of the president, see exquisite state gifts, and take a virtual trip with the Carter Center on our half-million-dollar interactive computer table. You'll go around the world to fight disease and promote democracy. The re-designed museum is highly interactive and fun for the whole family. Visitors will not only learn about the Carters' work after leaving the White House, they'll see the Nobel Peace Prize awarded to President Carter for that work.

Friday, October 5 • 7:30 am – 5:00 pm
Comprehensive ORL and Head-Neck Nursing Course

(Additional fee required)

Sessions will include:

- Otology
- Overview of the Nose, Sinuses and Oral Cavity
- Pediatric Otolaryngology
- Benign Head and Neck Disorders
- Specific Head and Neck Cancer Treatment and Nursing Implications
- Overview of Cancer and Treatment Modalities
- Hearing Loss Evaluation and Management

Friday, October 5 • 8:30 am – 5:00 pm

ORL Nursing Pharmacology Course

(Additional fee required)

Sessions will include:

- Acupuncture and Herbs: Uses in ENT
- Direct Oral Anticoagulants: An Overview of Their Clinic Profiles and Usage
- Immunotherapy
- Acute Otitis Externa
- Back to Basics: Psychotropic Medications

Noteworthy Courses & Events

products and services. With cutting-edge products and services showcased throughout the exhibit hall, this is truly a highlight of the annual meeting. You're guaranteed a solid return on investment for the time you spend with company representatives, and you'll walk away with new ideas to improve your practice.

Attendees who complete their Exhibit Viewing Card will have a chance to win a free 2019 Congress Registration!

Hours: Sunday 10:00 am – 4:30 pm
Monday 8:00 am – 3:45 pm

Saturday, October 6 • 8:00 – 8:30 am

Getting to Know You in Atlanta (An Insider's Secrets to Congress 2018)

Calling All First Time Attendees! Each year a number of attendees come to SOHN's Annual Congress for the first time. Come and check out the latest Annual Meeting buzz. If you are a first-timer, choose to attend the First-Time Attendee Orientation. First-Timers will be greeted by SOHN's National Congress Planning Committee and many volunteers who have "been there and done that". In addition to meeting other first-time attendees, you will hear insider's secrets to help you get the most out of Congress 2018.

Saturday, October 6 • 4:30 – 5:30 pm

Special Interest Group Meetings

ORL Nursing covers a wide range of subspecialties, each of which present a special set of skills and unique knowledge base. SOHN special interest groups (SIGs) will link you with other members practicing in your designated subspecialty. All SIGS will be meeting at Congress. Join a SIG and share your ideas and gain new information.

Sunday, October 7 • 7:00 - 8:00 am

Stepping Forward for the Foundation

(Ticketed event – \$40)

Rise and shine and walk for the ENT-NF (SOHN's Foundation)! Join the SOHN Walking Legends on another exciting and adventuresome journey. In addition: Invite colleagues, family and friends to sponsor your walk. Chapter members join the Chapter Challenge and walk for the Foundation. All donations will benefit ENT-NF Scholarships, Lectureships, ORL Education and Research. Each participant will receive a limited edition 2018 Foundation T-shirt.

Ear, Nose & Throat Nursing Foundation

The Ear, Nose and Throat Nursing Foundation (ENT-NF) was founded in 1997 to enhance the care of the ear, nose and throat patient, by advancing the art and science of nursing through education and research funded by donations from individuals, corporations and healthcare providers. Donations will be used for educational programs designed to enhance care delivery and prevention of disease for the otolaryngology population; support research initiatives to improve the health of patients with ear, nose and throat disorders; and to provide educational programs to increase the knowledge of healthcare professionals interested in ear, nose and throat nursing care.

Your support in assisting ENT-NF to enhance the care of ear, nose and throat patients is sincerely appreciated. Please make checks payable to ENT-NF and mail to:

ENT-NF

207 Downing Street
New Smyrna Beach, FL 32168

Or donate online at www.sohnnurse.com (Your contribution to ENT-NF is tax-deductible.)

Thank you for your support!!

Sunday, October 7 • 11:30 am – 12:30 pm

CORLN Luncheon

(Ticketed event – \$45)

*Sponsored by the National Certifying Board for
Otorhinolaryngology and Head- Neck Nurses
(NCBOHN)*

We are proud of our CORLNs! It's time to gather again and meet informally with CORLNs from around the country while enjoying a special luncheon designed expressly for our certified nurses. Please bring two test questions to add to our test item bank.

Monday, October 8 • 9:15 – 10:15 am

Society of Otorhinolaryngology and Head- Neck Nurses Notice of Business Meeting

Join the SOHN Officers and Board Members for the Annual Business Meeting. New officers will be installed and learn what is happening in your association. All registrants are welcome to attend.

Poster Session

Research, evidence-based practice and clinical initiative posters are on display during the conference. Take advantage of this opportunity to review current studies or projects on relevant ORL nursing topics. The poster authors will be present to discuss their findings on Saturday evening.

SOHN 42nd Annual Congress & Nursing Symposium Preliminary Program

Friday, October 5, 2018

7:00-5:00 pm SOHN Registration/Information

- ORL**
7:30 am-5:00 pm
110 Comprehensive ORL and Head-Neck Nursing Course
(Sessions 110-116 – additional fee required)
111 Otology
112 Overview of the Nose, Sinuses and Oral Cavity
113 Pediatric Otolaryngology
114 Benign Head and Neck Disorders
115 Specific Head and Neck Cancer Treatment and Nursing
116 Implications
Overview of Cancer and Treatment Modalities
Hearing Loss Evaluation and Management

The overall purpose of this course is to provide the ORL nurse with an overview of common ear, nose and throat problems/disorders and their management. The material has been divided into seven sections to include. Each of the anatomical sections will review the normal anatomy, common disorders, etiology, symptoms, diagnostic evaluation and management. The course is ideal for the nurse who is new in the otolaryngology specialty or for the seasoned ORL nurse seeking a good review. The Course must be taken in its entirety, as partial course credit cannot be given.

- PHARM/AP**
8:30 am-5:00 pm
ORL Nursing Pharmacology Course
Margaret A. Chesnutt MSN FNP-BC CORLN – Coordinator
(Sessions 120-126 – additional fee required)

- 120**
8:30-9:30 am
Acupuncture and Herbs: Uses in ENT
Kathleen A. Masella MSN RN AGNP-C
This presentation will provide an overview of acupuncture and herbal treatments for patients with otolaryngology issues.

- 121**
9:30-10:30 am
Direct Oral Anticoagulants: An Overview of Their Clinical Profiles and Usage
Vian Nguyen PharmD BCPS
To provide an overview of the DOACs and their use in the treatment and prevention of thrombosis. Discuss key differences between this class of drugs and warfarin. Identify patient characteristics that would make one DOAC a better choice over another.

- 122**
10:45-11:45 am
Immunotherapy
Nabil F. Saba MD FACP
Dr. Nabil Saba's work is focused on the study and development of novel agents and therapeutic modalities for head and neck and esophageal cancer. This course will highlight the use of immunotherapy in head and neck cancer.

11:45 am-12:45 pm *Lunch Break*

- 123**
12:45-1:45 pm
Acute Otitis Externa
Melinda DeSell MS CRNP
This is a review and update of current diagnosis and treatment of acute otitis externa.

- 124**

1:00-2:00 pm
Ankyloglossia and Upper Lip Adhesion Overview
Amy Ashburn ARNP-BC CORLN

Ankyloglossia and upper lip adhesions may have several effects on daily life of a newborn or child, such as feeding, speech, tongue movement and cosmetic concerns. Treatment can be controversial. This presentation of ankyloglossia and upper lip adhesions will include: anatomy, diagnosis, treatment options and post-operative care.

- GER 221**
1:00-2:00 pm
Safety for the Older Patient-ENT Considerations
Cristie L. Roush DNP GNP-BC CORLN

Health changes in adults as they age can impact their safety on a day to day basis. ENT related changes secondary to aging and/or disease processes or surgeries can also create safety concerns for patients. Nurses need to be aware of potential changes that may impact the safety of their patients to better educate the patients and their families to help avoid safety risks. Decrease hearing, loss of sense of smell, loss of voice/voice volume are among the changes that may increase safety concerns for the older adult. This course will discuss changes in the older adult which may impact their safety as it relates to ENT. The goal to identify expected changes related to the older adult's ENT status to help educate patients/families on ways they may avoid safety issues.

- ARS 222**
1:00-2:00 pm
Cynthia Mabry Otolaryngic Allergy Lectureship
Exploring Entopy: Can a Localized Nasal Allergy Exist in the Setting of Negative Systemic Allergy Testing?
Melissa A. Borofsky RN

This course will provide an introduction to the concepts of entopy and nasal provocation testing, discuss the treatment options for patients falling into this category of localized allergic rhinitis, consider nursing implications when

SOHN 42nd Annual Congress & Nursing Symposium **Preliminary Program**

working with this patient population, and identify the need for more research in this area.

FPS 230 Platelet Rich Plasma Therapy

2:15-3:15 pm Shannon M. Brady-Powers MSN RN CRNP CORLN

This course is designed to educate SOHN participants on platelet rich plasma and its benefits in both cosmetic and medical practice.

HN 231 AJCC 8th Edition Head and Neck Cancer Staging: Major Changes Review

2:15-3:15 pm Martha J. Ryan MSN FNP CORLN

This presentation will review the new changes to the head and neck cancer staging system recently published in the AJCC 8th Edition along with rationale for the revisions and the adoption into clinical practice.

OTO 232 Cochlear Implant – Can You Hear Me Now?

2:15-3:15 pm Joseph Roche MD

HN 240 Clinical Practice Guideline: Evaluation of the Neck Mass in Adults

3:30-4:30 pm Maria Colandrea DNP NP-C CORLN CCRN FAANP

Neck masses in adults are often insidious and represent a possible malignant process. In September 2017, the American Academy of Otolaryngology-Head and Neck Surgery (AAO-HNS) released a clinical practice guideline on how to evaluate and work-up an adult patient who presents with a neck mass. The purpose of the guideline is to expedite recognition of the neck mass, evaluation and work-up, in order to prevent poor patient outcomes. This presentation is an overview of the recommendations/key action statements provided in the clinical practice guideline. Discussion will also include what it was like to participate and contribute to the publication of this clinical practice guideline.

PED 241 Pediatric Tonsillectomy Guideline Update

3:30-4:30 pm Terri Giordano DNP CRNP CORLN

Tonsillectomy is one of the most common surgical procedures in the US with over 530,000 procedures performed annually in children under 15 years of age. The update of the 2011 AAO tonsillectomy guideline provides evidence based recommendations on pre, intra and postoperative care and management of children undergoing tonsillectomy. This session will review the guideline and the addition of seven new key action statements.

GEN 242 Perception, Strategy, and Influence: Workplace Politics and You

3:30-4:30 pm Jaclyn B. Wirkus DNP APNP CORLN

It has been said that nothing is certain except death and taxes . . . and office politics. Beyond experience, skill, and intelligence, managing interpersonal relationships and understanding the dynamics of your organization can be important in achieving career success. This discussion will help you to assess and improve your professional political competence.

AP 250A Advanced Practice Special Interest Group

4:30-5:30 pm Sarah M. Holdsworth MSN APRN

Come together with colleagues who work within the Advanced Practice specialty. Examine common interests and problems. Identify educational needs, cutting edge technology for the group with topics, speakers and contact information for future programming for this specialty. Develop a network list, succession plan and future goals for the Advanced Practice SIG.

ARS 250B Allergy and Sinus Special Interest Group

4:30-5:30 pm Michael T. Neel RN FNP-C

Come together with colleagues who work within the Allergy and Sinus specialty. Examine common interests and problems. Identify educational

needs, cutting edge technology for the group with topics, speakers and contact information for future programming for this specialty. Develop a network list, succession plan and future goals for the Allergy and Sinus SIG.

R 250C Clinical Research Special Interest Group

4:30-5:30 pm Laurel J. Doghramji BSN RN
Christine M. Reger MSN CRNP

Meet new colleagues who work within the research specialty. Examine common interests and problems. Identify educational needs, cutting edge technology for the group with topics, speakers and contact information for future programming for this specialty.

FPS 250D Facial Plastic and Reconstruction Special Interest Group

4:30-5:30 pm Shannon M. Brady-Powers MSN RN CRNP CORLN

Join with colleagues who work within the Facial Plastic and Reconstruction specialty. Examine common interests and problems. Identify educational needs, cutting edge technology for the group with topics, speakers and contact information for future programming for this specialty. Develop a network list, succession plan and future goals for the Facial Plastic and Reconstruction SIG.

FED/MIL 250E Federal/Military Special Interest Group

4:30-5:30 pm Fayann L. Ridgley BSN RN CORLN

Meet new colleagues who work within the Federal/Military specialty. Examine common interests and problems. Identify educational needs, cutting edge technology for the group with topics, speakers and contact information for future programming for this specialty. Develop a network list, succession plan and future goals for the Federal/Military SIG.

GER 250F Gerontology Special Interest Group

4:30-5:30 pm Cristie L. Roush DNP GNP-BC CORLN

Join with colleagues who work within the Gerontology specialty. Examine common interests and problems. Identify educational needs, cutting edge technology for the group with topics, speakers and contact information for future programming for this specialty. Develop a network list, succession plan and future goals for the Gerontology SIG.

HN 250G Head and Neck Special Interest Group

4:30-5:30 pm Jo Ann Ward Snyder BSN RN CORLN

Join with colleagues who work within the Head and Neck specialty. Examine common interests and problems. Identify educational needs, cutting edge technology for the group with topics, speakers and contact information for future programming for this specialty. Develop a network list, succession plan and future goals for the Head and Neck SIG.

OBP 250H Office Based Practice Special Interest Group

4:30-5:30 pm Jose J. Elias BSN RN CORLN

Meet colleagues who share knowledge within the Office Based Practice specialty. Examine common interests and ideas. Identify educational needs, share latest trends in technology for the group with topics, speakers and contact information for future programming for this specialty. Develop a network list, succession plan and future goals for the Office Based Practice SIG.

OTO 250I Otolaryngology Special Interest Group

4:30-5:30 pm Deborah J. Farragher MSN RN CORLN

Meet new colleagues who work within the Otolaryngology specialty. Examine common interests and problems. Identify educational needs, cutting edge technology for the group with topics, speakers and contact information for future programming for this specialty. Develop a network list, succession plan and future goals for the Otolaryngology SIG.

SOHN 42nd Annual Congress & Nursing Symposium **Preliminary Program**

PED 250J Pediatric Special Interest Group
4:30-5:30 pm Melinda DeSell MS CRNP
Meet colleagues who work within the Pediatric specialty. Examine common interests and problems. Identify educational needs, cutting edge technology for the group with topics, speakers and contact information for future programming for this specialty. Develop a network list, succession plan and future goals for the Pediatric SIG.

OR 250K Perioperative Special Interest Group
4:30-5:30 pm Scott A. Henderson BSN RN
Join with colleagues who work within the Perioperative specialty. Examine common interests and problems. Identify educational needs, cutting edge technology for the group with topics, speakers and contact information for future programming for this specialty. Develop a network list, succession plan and future goals for the Perioperative SIG.

GEN 260 Meet the Poster Presenters

5:30-6:30 pm

6:00-7:30 pm **President's Reception/Meet & Greet**

Sunday, October 7, 2018

7:00-8:00 am **Stepping Forward for the Foundation**
(Ticketed event, additional fee required)

8:30 am-5:30 pm **SOHN Registration/Information**

OTO 310 From the Ear or Not from the Ear? That is the Question!
9:00-10:00 am Case Presentations on the Chief Complaint of Otalgia
Bryan A. Facione MS ACNP-BC
A review of primary and secondary otalgia along with case presentations outlining the history, physical exam, and diagnostic workup to achieve an accurate diagnosis.

ARS 311 Updates on Adult Allergies and Treatment
9:00-10:00 am Becky L. Andrews FNP CORLN
The course will include a brief review of anatomy, physiology and pathophysiology in relation to allergies. Discuss current treatment guidelines for treatment of allergies in adults. This will include discussion of allergy testing and immunotherapy.

GEN 312 Pediatric Congenital Hemangioma and Vascular Malformations
9:00-10:00 am Brian D. Kulbersh MD

10:00 am **SOHN Exhibition Area Ribbon Cutting and Grand Opening**

10:00-10:30 am **Break with Exhibitors**

10:00 am-4:30 pm **SOHN Exhibition Area Open**

GEN 320 Practice Transitions
10:30-11:30 am Karen Zupko BSJ
Designed to stimulate thinking about the choices one faces - stay in solo or small group practice; merge with another ENT or allergy group; affiliate with a hospital; close the doors and go away. While much has been written about going into practice and managing a practice - less so about the mechanics of transitioning before you have to.

ORL 321 Dysphonia Clinical Practice Guideline Update
10:30-11:30 am Helene J. Krouse PhD RN CORLN FAAN
The purpose of this activity is to enable the learner to more accurately diagnose and manage patients with dysphonia/hoarseness and optimize care outcomes according to recommendations/key action statements in the updated clinical practice guideline (CPG).

HN 322 Centralizing Hospital Tracheostomy Resources – A Quality Improvement Project Update
10:30-11:30 am Elizabeth W. Gould MSN FNP CORLN
This course will outline the Clinical Nurse Specialist approach to improve tracheostomy management at UC Davis Medical Center in Sacramento, California. The program was initially presented at the 2016 conference and has continued to evolve and improve. Problems identified prior to program implementation included knowledge deficits about non-standard hospital products, absence of or incorrect bedside emergency equipment, and limited access to specialty tracheostomy tubes and supplies. A Tracheostomy Team of Respiratory Therapists was created to address these issues and provide a centralized resource for tracheostomy management. In addition to achieving previous goals, the Tracheostomy Team now maintains tracheostomy standards mandated by policy, manages patient discharge education, coordinates tracheostomy tube related skin breakdown interventions, and is a reliable source for all tracheostomy-related questions.

11:30-12:30 pm **Lunch Break**

11:30-12:30 pm **CORLN Luncheon**
(Ticketed event, additional fee required - limited to Certified ORL Nurses)

PED 330 Subglottic Stenosis: Where did it come from? Where should we go?
12:30-1:30 pm Kristina L. Keppel DNP RN APNP CPNP
Subglottic stenosis can present challenges to the healthcare provider. While children with type I or type II subglottic stenosis, may present with only mild symptoms when ill, children with higher levels of obstruction require tracheostomy and eventual surgical repair for decannulation. This course will review the etiology of subglottic stenosis, indications for tracheostomy versus observation, surgical repair of subglottic stenosis, and post-operative nursing management.

OBP 331 Inspire Therapy for Obstructive Sleep Apnea
12:30-1:30 pm Diana Brown BSN RN
Heidi Meyer BSN RN
Luke N. Peterson MD
This session will describe Inspire Therapy, an innovative obstructive sleep apnea treatment option for patients unable to use or get consistent benefit from CPAP. Nursing implications and roles throughout the continuum of care will be discussed.

OR 340 Suture Workshop
12:30-2:45 pm Enrollment is limited – Ticketed event
Troy J. De Rose CRNP RNFA CORLN
Maureen Murphy CRNP
This is an introductory workshop for nurses who have limited experience in suturing. This workshop covers instrument basics, proper loading of the needle, wound assessment, local anesthesia, aftercare and documentation.

OR 350 Diagnosis to Discharge: Multidisciplinary Care for the Microvascular Free Flap Patient
1:45-2:45 pm Traci Switzer APRN NP BC
H. Michael Baddour MD
Multidisciplinary approach to pre-op and post-op care of microvascular free flap patients.

SOHN 42nd Annual Congress & Nursing Symposium **Preliminary Program**

R 351
1:45-2:45 pm
Research Forum: Issues in Authorship
Helene J. Krouse PhD RN CORLN FAAN - Moderator
Cindy J. Dawson MSN RN CORLN
Michele M. Farrington BSN RN CPHON
Vinciya Pandian PhD MSN RN ACNP-BC FAAN
This research forum will consist of a panel of experts discussing various challenges and opportunities related to publication of scholarly work. Specific areas that will be covered include defining authorship, issues regarding authorship, identifying publishing opportunities, and ethical considerations. Panel members will share their experiences and provide suggestions for successfully navigating the world of professional publication. An interactive approach will provide time for engagement with the audience.

2:45-3:15 pm **Break with Exhibitors**

HN 360
3:15-4:15 pm
Head and Neck Cancer Survivorship
Allison M. Paisley MSN RN CRNP
Head and neck cancers affect some of the most sensitive and visible parts of the body. Because of this, survivors of head and neck cancer have specific needs that can be met with a comprehensive survivorship program. In this course, we will review head and neck cancer, its treatment and long-term side effects. Current guidelines for head and neck cancer survivorship will be introduced. In addition, we will discuss the feasibility of implementing a nurse practitioner-led program in a large medical center, along with successes and challenges.

PED 361
3:15-4:15 pm
Button Battery Injuries in Children
Kris R. Jatana MD FAAP FACS
To review the epidemiology, clinical presentation, latest treatment algorithms, management of complications, and national injury prevention efforts related to button battery injuries in children.

OR 370
3:15-5:30 pm
Suture Workshop
Enrollment is limited – Ticketed event
Troy J. De Rose CRNP RNFA CORLN
Maureen Murphy CRNP
This is an introductory workshop for nurses who have limited experience in suturing. This workshop covers instrument basics, proper loading of the needle, wound assessment, local anesthesia, aftercare and documentation.

OR/OBP 380
4:30-5:30 pm
Disinfection and Cleaning of Scopes/Instruments
Cindy J. Dawson MSN RN CORLN
Standardized cleaning, disinfection, and reprocessing procedures across diverse healthcare facilities around the world.

OTO 381
4:30-5:30 pm
The Ups and Downs of BPPV: How to Recognize and Treat This Common Peripheral Vertigo
Deena B. Hollingsworth MSN FNP-BC CORLN
This presentation will review basic procedures for the diagnosis and management of BPPV incorporating the recommendations of the recently revised clinical practice guideline from AAO-HNS.

Monday, October 8, 2018

7:30 am–4:30 pm **SOHN Registration/Information**

8:00 am–4:00 pm **SOHN Exhibition Area Open**

ORL 410
8:00-9:00 am
ENT Imaging
Patricia Hudgins MD FACR
There are many options for imaging the patient with definite or suspected disease in the head and neck. Each modality, whether CT, contrast-enhanced CT, MRI

without or with gadolinium, ultrasound or PET/CT, has a unique role in the care of these patients. It is imperative that the ENT or Head & Neck practitioner understand the indications for each study so that the appropriate exam is performed, the clinical concerns are answered, and the patient does not undergo unnecessary or unindicated studies.

In this presentation, we will review the advantages and benefits of various imaging examinations. The format will be practical, informal, and questions are encouraged, both during and after the session!

GEN 411
8:00-9:00 am
Mild Traumatic Brain Injury
Beverly Rose APRN MSN ANP-C
Etiology, impact, residuals and treatment of mild traumatic brain injury.

9:15-10:15 am **SOHN Business Meeting and Installation of Officers**

10:15-11:15 am **Break with Exhibitors ENT-NF Benefit Raffle Drawing**

GER 420
11:15-12:15 pm
Veterans Aging
Laurie Moore NP
More than 20 million American veterans are alive today. Their median age is 64 years; most are men. The largest surviving cohort served in the Viet Nam War and is rapidly entering old age. Wartime experiences remain a “hidden” variable, seldom measured or considered in studies of aging.

PED 421
11:15-12:15 pm
Pediatric Cleft Lip and Palate Parameters of Care
Deborah J. Strike BSN RN CORLN
This presentation will include discussion of “Parameters for Evaluation and Treatment of Patients with Cleft Lip/Palate” that was revised and published in January 2018, as well as the role of nursing personnel in the care provided to these patients and the timeline for this care.

GEN 430
1:15-2:15 pm
Health Policy Presentation – The Opioid Epidemic
Anne M. McKenzie-Brown MD
The devastating opioid epidemic is one of the largest public health problems facing the US. Over 2.5 million people in the US suffer from opioid use disorder.

ORL 440
2:15-3:15 pm
The Transgender ENT Patient: ORL Implications
Scott Chalet MD MBA FACS
This presentation will (a) introduce the audience to transgender patient care, (b) provide an overview of health disparities of transgender and gender expansive patients, (c) discuss evidence-based approaches to create LGBTQ-friendly practices, and (d) provide an overview of ORL procedures performed for gender affirmation.

GEN 450
3:15-4:15 pm
Resilience: The Difference Between Surviving and Thriving
Sandra C. Leake DNP RN NEA-BC
Evidence is growing that supports the critical role resilience plays in individual health and well-being, as well as in professional and organizational success. Resilience helps us embrace, change some problems, overcome adversity and discover life’s purpose. The concept of resilience will be described along with skills and strategies for improving one’s personal and professional foundation for resilience.

4:15 pm
Closing Remarks
Carolyn Waddington MS RN FNP-C CORLN
SOHN President

SOHN reserves the right to substitute equally qualified presenters in case of an emergency and reserves the right to cancel or substitute sessions.
