President's Message

Dear Colleagues:

I find it hard to believe this will be my last President's Message. Two years have flown by, but I am proud of what we have accomplished.

In September we had a wonderful Congress in Chicago with a variety of topics, great speakers and opportunities to network with our colleagues. Thanks to Kristina Keppel, Mary Huntoon, Michele Farrington, Anne Bigelow and Wendy Mackey for their hard work in planning and delivering an excellent program. Congratulations and thanks are also due to Sara Wheeler our new Director of Education for completing her first Annual Congress. I also want to extend a special thanks to everyone who stepped up to help Sandye after Cory was unable to attend at the last minute. The flexibility and willingness to help is one of my favorite things about SOHN.

We had a lengthy but important discussion at the business meeting regarding the two issues brought forward for a vote. The bylaws change needed to institute electronic voting was passed. This means that any issue that requires a vote of the membership can be done electronically. I think this will give the membership as a whole the opportunity to participate in decisions that affect our Society. The question of opening membership to unlicensed nursing personnel was voted down. While this was not the outcome that I wanted personally, I was pleased with the bipartisan discussion. As promised, the issue has now been laid to rest.

As Carolyn Waddington takes the reins of the organization in January, my hope is that she receives the support that the members of SOHN have given me. The newly elected members of the Board are Treasurer, Ramute Kameza, and Directors Michele

Farrington, Deborah Strike, and Karen Ulmer. Scott Henderson and Troy DeRose are the new members of the Nominating Committee. I cannot thank the members of the 2016 and 2017 SOHN Boards enough for all their support. These men and women have made my job easier and will provide continued leadership for SOHN.

A special thank you goes to Wendy Mackey and Kari McConnell for making my dream for online education a reality. This has been a tedious and lengthy process. With their hard work and the talented faculty of the Comprehensive ORL and Head-Neck Nursing Course, the project will provide more education opportunities to our members and become a source of revenue for SOHN.

The biggest thank you goes to Executive Director, Sandye Schwartz. She is the glue that holds SOHN together and without her guidance and support none of us would be able to do our jobs as well as we do.

Finally, I want to thank all of you for the opportunity to be your President. I feel like we have made some positive changes for the Society and I look forward to working with the new leadership as we move forward.

SOHN's 41st Annual Congress and Nursing Symposium

Illinois

Igniting Change: Imagine, Inspire, Innovate

ORL nurses from around the world and across the country gathered at the historic InterContinental Hotel in Chicago, Illinois for SOHN's 41st Annual Congress and Nursing Symposium, September 8-12. This acclaimed five day educational event featured more than 60 outstanding education sessions and over 80 renowned speakers. Fabulous and fun activities included an evening reception at Chicago's famous "Second City" Comedy Club, the Saturday night "Meet and Greet" Reception and the Outrageous and Fun ENT-NF Great Benefit (Over \$5,500 raised for scholarship, research and education).

Keynote Speaker, Alexandra Scott opened the convention with her presentation on "Start Me Up". Ms. Scott challenged the audience to ignite the flames of leadership towards advancing the practice of ORL nursing. K. J. Lee, MD continued the exciting momentum and delivered an outstanding and informative presentation during the Health Policy and Advocacy Lecture, ending with a standing ovation. The conference ended on a high note as Susan Swart, Closing Speaker, invigorated the audience with "Public Policy and Passion: Where the Two Collide and Why Nurses Must be Involved".

Post Congress Reflections

Congress 2017 was a great success thanks to the many volunteers. From the registration team to the moderators and coordinators and fearless chairpersons and assistants everyone worked in harmony like a well oiled machine!

Special thanks to Congress Chairperson, Kristina Keppel and Co-Chairperson, Mary Huntoon, Assistant, Michele Farrington, Pharmacology Day Coordinator - Anne Bigelow

SOHN continues with the Green initiative and provides access to speaker handouts on the SOHN website. Don't forget to check out the SOHN website for additional handouts which were turned in late or after Congress.

In addition, a thank you to the nurse planners. A lively and informative nurse planner meeting was held this year at congress. We have the best, highly talented and creative nurse planners on the planet!

2017 Congress Planning Committee

Kristina Keppel – Congress Chair

Mary Huntoon – Congress Co-Chair

Michele Farrington – Program Assistant

Sara Wheeler – Education Director

Anne Bigelow - Pharmacology Day Coordinator

Wendy Mackey - ORL Nursing Course Coordinator

and Comprehensive ORL Nursing Course Coordinator - Wendy Mackey. This dynamic team worked endlessly behind the scenes throughout the year preparing and daily on-site at our 2017 Congress in Chicago.

The Education Committee members, 35 VIPs, volunteers interested and participating, served as Moderators/Coordinators on site. The smooth day to day program operation was clearly evident and due to our volunteers. A heartfelt "thank-you".

A special thank you to President Deena Hollingsworth for her vision, support and involvement during her second year in office. She highlighted the congress educational theme in her opening address and throughout the year.

Many of you made great suggestions for future topics and/or speakers. The information was collated and used as we planned and developed the 2018 Program at the Congress Education Planning Committee Meeting December 1- 2, 2017. We will also be looking at your recommendations and constructive feedback to continue to strive for excellence in programming.

Any member who may be thinking about presenting at any SOHN educational program next year, please contact Sara Wheeler. We encourage and challenge you to consider presenting in 2018. The 2018 SOHN Spring Program and 32nd Annual Pediatric ORL Nurses Meeting will be held in conjunction with ASPO and COSM in April 2018 at National Harbor, Maryland. Watch for more information in E-NEWS and UPDATE. The 42nd Annual SOHN Congress & Nursing Symposium will be held October 5-8, 2018 in Atlanta, Georgia. Also, don't forget ENT-NF offers three Lectureships with a monetary award. Check it out at www.SOHNNURSE.com. The deadline for the Lois Moore-Rogers Pediatric Otolaryngology Lectureship is November 15, 2017. The Kalyann Quinn Hensley Head-Neck/Laryngology and the Cynthia Mabry Otolaryngic Allergy Lectureships have a later deadline, January 31, 2018. It is a prestigious honor to receive one of these lectureships, especially as a SOHN member, and we love to bestow this honor on deserving members.

The Committees of SOHN form the foundation of the organization. Please review the following descriptions of the committees and their functions. Plan to volunteer to serve as a member of the committee of your choice. All of these committees are led by experienced, enthusiastic nurses who welcome your participation. Please send an email to sohn1@earthlink.net with the committee(s) you are interested in joining.

National Education Committee:

The National Education Committee promotes the educational growth of SOHN with a focus on Professional Education as well as Community Education. Nurse Planners are Master-prepared nurses who assist the Director of Education in the development, implementation and evaluation of educational programs, local/regional, and national. Other nurse members serve as program chairpersons, on planning committees, as room moderators and coordinators and on the professional exhibit group. Commitment and enthusiasm is prerequisite. Sense of pride, satisfaction and accomplishment guaranteed.

- Nurse Planner Defined by ANCC, "A registered nurse who is responsible for planning, developing, implementing and evaluating continuing education activities. For an accredited provider, the Nurse Planner must be prepared at the graduate level, with one degree – baccalaureate or graduate – in nursing."

Health Policy and Advocacy Committee:

The focus of the Health Policy and Advocacy Committee is to keep abreast of new legislation and regulations affecting nursing practice, education, and research. The committee supports legislation and legislative activities on both the state and national level. It provides a venue to introduce nurses to the regulatory and legislative process and mentorship as one becomes politically active.

Membership Enhancement Committee:

The Membership Enhancement Committee promotes the professional growth of individual members, as well as, enhancing the organization and development of chapters. This committee assists with recruitment, recognition, and retention activities.

Practice and Research Committee:

The Practice and Research Committee identifies and prioritizes practice issues and develops/reassess standards of practice and guidelines. The committee also promotes research in otolaryngologic and head and neck nursing. This research will expand the body of nursing knowledge, provide a solid base for our practice and ultimately advance the profession of nursing. Members are selected based on their strengths and expertise in otology, general ORL and head-neck nursing and will be assigned specific activities to advance SOHN's practice and research goals.

From the NCBOHN Board...

In honor of the 41st Annual SOHN Congress, Sharon Jamison, President of NCBOHN presented a check for \$5,000 to SOHN President, Deena Hollingsworth, during the Opening Ceremony. Congratulations SOHN!

The annual CORLN Luncheon once again was held at the annual congress. This event was sponsored by the National Certifying Board for Otorhinolaryngology and Head-Neck Nurses (NCBOHN). CORLNs from across the country celebrated their certification status. NCBOHN President, Sharon Jamison, reported that we now have 220 CORLNs. The names are proudly listed in the 2017 Congress Program. CORLNs are invited to contribute two exam questions. If you are a CORLN, who forgot or were unable to attend, please email questions to SOHN Headquarters, Attention: NCBOHN sohnnet@aol.com. Thank you in advance for your participation. The Annual NCBOHN Board Meeting was held immediately following the CORLN Luncheon. The increase of CME's to 25 out of 100 hours for certification credit seems to be going well. CORLN's are taking advantage of the new opportunity. This became effective 1-1-2017.

Another suggestion from luncheon attendees was the possibility that links could be added on the SOHN web site for nurses looking for continuing nursing education credits, including pharmacology, from other sources. We will be investigating this option for our members.
