President's Message

Dear Colleagues,

Welcome to the SOHN Update - Preconvention Issue. When the SOHN Congress Education Committee met in November 2019, we created the theme "Revolutionary Changes in ORL Nursing". At that time, none of us knew what "Revolutionary" changes would be happening in the world in 2020.

The COVID-19 pandemic has changed the way everyone lives. Who would have thought things like toilet paper and hand sanitizer would be hot commodities, yet, as word of the pandemic spread to the United States, hordes of people cleaned stores of these and other items.

So much has changed since the beginning of the year. "Sheltering in place", "self-quarantine", and many other terms have become part of our vernacular. While I write this, I realize that the fate of our annual congress is still unknown, but we are hopeful that by September, the world will be back to "business as usual". Our Education Committee has planned an outstanding four day event based on your suggestions and comments. The scoping course returns this year. Our keynote presentation by the Atwater and Donnelly Duo, the well-known and highly acclaimed duo will provide a unique blend of traditional and folk music. They are amazing humanitarians, gifted motivational speakers and will deliver an inspirational, entertaining message. This year's conference will provide the latest information about leading-edge techniques, present up-to-date discoveries, provide the latest research findings in otolaryngology nursing and offer an opportunity to renew old friendships and meet new colleagues.

Options are also being explored to present this program virtually if we are unable to join together in Boston. It is my hope that each of you will take the opportunity of joining together, either in person or through virtual means so that we might learn and grow in our understanding of ORL nursing. Our message is that we do have "revolutionary" knowledge to pass on to you, the ORL nurses of the world. My prayer is that you and your families are safe during this time of uncertainty.

SOHN's 44th Annual Congress and Nursing Symposium

Revolutionary Practices in ORL Nursing Boston, Massachusetts

September 11-14, 2020

Explore the city where the new and the old are in constant conversation, where cobbled-stone streets meet glass enclosed shopping galleries, where the Freedom Trail Landmarks stand beside cutting edge restaurants and renowned theatres brush shoulders with trendy night clubs. Uncover Boston's past while enjoying its distinctively modern edge, enjoy the old masters and the brew masters, pedal-powered swan boat rides or high-speed catamaran whale watches. Shop artisanal markets or chic boutiques. While the afternoon away at a sidewalk café or dine from the popular food trucks found throughout the city. Enjoy star-studded concerts, some under the stars. Take a walking tour or blaze a trail of your own. Stroll the lively waterfront or cruise the historic harbor. Join your peers for an outstanding educational and networking event. Held each fall, the SOHN Annual Congress and Nursing Symposium provides an opportunity for hundreds of ORL nurses to gather and celebrate the finest in our specialty. This four day educational event features cutting-edge presentations, state of the art workshops, the widely acclaimed Comprehensive ORL and Head-Neck Nursing Course and the always popular Pharmacology Course.

Please Note: *The Boston Marathon will be running on the last day of our program. You will be able to see runners as they cross the finish line.*

The Best of Boston: Top Ten Things To Do

1. Walk the **Freedom Trail**, a 2.5-mile walk around Boston that takes in 16 historic locations to piece together the story of the city's role in the American Revolution. Among the famous sites pass the Old South Meeting House, where it is thought the Boston Tea Party originated
2. **New England Aquarium:** The Aquarium offers tank after tank of aquatic life, both salt- and freshwater. As you walk into this world-class aquarium, one of the world's largest salt-water tanks looms before you. This 200,000 gallon monster holds sharks, sea turtles, and thousands of smaller fish. A ramp spirals upward around the tank. The top is open; ask for a schedule so you don't miss the daily sea turtle feeding.
3. **Faneuil Hall Marketplace** incorporates Quincy Market, North Market and South Market and is a 250-year-old meeting place on the Freedom Trail, packed with shops, stalls and eateries.
4. **Shop Newbury Street**
Boston's most enchanting street. Eight blocks filled with salons, boutiques and fabulous dining. The entire street and surrounding areas is a shopper's paradise, from high-end names to bargains at Filene's Basement. Filene's Basement is one of the Boston's landmarks. Since 1908 the store has been helping shoppers score deals on designer clothes. Be prepared to dig through bins of clothing to find the treasures you've dreamt of.
5. Visit **USS Constitution**, launched in 1797 makes this the oldest commissioned warship afloat in the world today.
6. **Duck Tours:** The famous Boston Duck Tours are an entertaining way to see the highlights of the Freedom Trail if you don't feel like walking. Your tour guide and operator will point out key historical locations as you roll through the streets of Boston in an amphibious World War II vehicle. These custom-made vessels can travel on both land and water. Towards the end of the 80-minute tour - surprise - the vessel rolls down a ramp and into the Charles River. Some guides will even allow passengers to pilot the vehicle while it's on water.
7. **Paul Revere's House.** On the night of April 18, 1775, silversmith Paul Revere left his small wooden home in Boston's North End and set out on a journey that would make him into a legend. Today that home is still standing at 19 North Square and has become a national historic landmark. It is downtown Boston's oldest building and one of the few remaining from an early era in the history of colonial America.
8. **Drink in the Samuel Adams Brewery Tour**
The Samuel Adams Boston Brewery is, thanks to the free tasting at the tour's end, one of America's favorite factory tours. If you prefer to do your Boston imbibing in an actual bar, stop in at Cheers, aka the Bull and Finch Pub, where you will recognize the exterior from the classic TV show "Cheers."
9. **Take a walk through Boston Common.** The Public Garden was the first botanical garden in the United States. If the weather is nice, make sure you take a swan boat ride. See if you can locate the George Washington Statue and The Make Way for the Ducklings Statues.
10. Boston's museums are as good as any you'll find in the world, and the most visited one is the **Museum of Science at Science Park**. It has more than 400 interactive exhibits including --the Virtual Fish Tank, an IMAX theater and a planetarium

Congress Attire

Business attire is appropriate for attending educational sessions and exhibits. A sweater or light jacket may also be necessary during the sessions, as the rooms often become cold.

Course Information

Registered attendees can earn 25.5 contact hours, depending on sessions attended at the 2020

SOHN Annual Meeting through attendance at the Comprehensive ORL and Head-Neck Nursing Course,

Opening Ceremony, General and Closing Sessions, concurrent sessions and poster session. Contact hour totals are based on the 60 minute contact hour as outlined by ANCC.

SOHN's 44th Annual Congress and Nursing Symposium

Conference Outcomes

- Empower ORL nurses to disseminate and incorporate the knowledge gained at Congress in their daily practice.
- Engage ORL nurses in an environment of peer networking, collaboration and rejuvenation.
- Enlighten ORL nurses at all levels of professional roles and responsibilities.

Accreditation - Nursing Contact Hours

The Society of Otorhinolaryngology and Head-Neck Nurses is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Accreditation as an American Nurses Credentialing Center's Commission provider refers only to its continuing nursing education activities and does not imply ANCC Commission on Accreditation endorsement of any commercial products.

The maximum number of nursing contact hours attainable for this program is 25.5 hours.

Successful Completion

To successfully complete the education requirements of the SOHN Annual Meeting, registered attendees will be required to provide:

- Full attendance at sessions with no more than 5 minutes missed
- Completion of the session evaluation through the online evaluation process

Evaluations and Nursing Contact Hour Certificates

Each participant will receive a unique identifier via email from Express Evaluations to use on a dedicated website. You may enter your evaluation information online during the SOHN Congress on your computer, at the business center or wait until you arrive home. You must complete both program and session evaluations to receive contact hours and to print your certificate. In addition to a certificate, you will also receive a print out of the sessions you attended. You can even direct your certificate to your email address and print it out at your leisure. And, if you lose your certificate, you can print it again. The immediate feedback will also assist the SOHN Education Committee in planning next year's program.

Hotel Accommodations

To obtain the necessary amount of meeting and exhibit space, SOHN must commit to using a minimum number of guest rooms. If that commitment is not met, SOHN will incur significant financial penalties and it will cause a major impact on the future programs that SOHN is able to offer. By booking your room under the official SOHN room block, you help SOHN meet their hotel obligation. We thank you in advance for your assistance. Please choose the Revere Hotel by using the housing link found on the SOHN web site - www.sohnnurse.com

AAO Exhibit Hall Daily Passes

The AAO-HNSF Exhibit Hall will be located at the Boston Convention and Exhibition Center. Daily passes are available for \$100 per day through SOHN advance registration. Designate your choice of day on the registration form. (**After July 31, exhibit hall passes may be purchased from the AAO-HNSF at the Boston Convention and Exhibition Center for \$150.)

Sunday, September 13 - 9:30 am – 5:00 pm

Monday, September 14 - 9:30 am – 5:00 pm

Tuesday, September 15 - 9:30 am – 3:30 pm

Living Green!

Congress 2020 will continue to be eco-friendly. Less paper, less hassle and more benefits for the attendees. All registered attendees will have access to online proceedings materials and session handouts before and after the meeting. Education session handouts submitted before Congress will be placed on SOHN's website for easy access, review and printing. Visit www.sohnnurse.com after September 7 and select Information for Participants on the 44th Annual Congress ad on the SOHN homepage, www.sohnnurse.com, to download, print and to learn more. Please note that paper copies of these handouts will not be available onsite.

Caring for the Caregiver: Stories and Songs

Aubrey Atwater
Elwood Donnelly

Aubrey Atwater and Elwood Donnelly are accomplished folk music performers from Rhode Island who have performed nationally and internationally. Aubrey and Elwood play numerous musical instruments and perform American Appalachian and Celtic traditional folk dances. Additionally, they have recorded thirteen albums and have written several books.

In May of 2019, their son, Uriah Donnelly, was diagnosed with adenocarcinoma of the sinuses. He underwent surgical intervention and reconstruction followed by chemotherapy and radiation. His restaging scans done in December 2019 were promising.

Uriah's parents are deeply involved with music therapy for patients undergoing active treatment and they promote music therapy for the recuperative benefits for the patient as well as caregivers. Aubrey and Elwood wish to share their significant talents with SOHN members and to assist attendees in discovering and enhancing the talents we all possess.

Ear, Nose & Throat Nursing Foundation

The Ear, Nose and Throat Nursing Foundation (ENT-NF) was founded in 1997 to enhance the care of the ear, nose and throat patient, by advancing the art and science of nursing through education and research funded by donations from individuals, corporations and health care providers. Donations will be used for educational programs designed to enhance care delivery and prevention of disease for the otolaryngology population; support research initiatives to improve the health of patients with ear, nose and throat disorders; and to provide educational programs to increase the knowledge of healthcare professionals interested in ear, nose and throat nursing care.

Your support in assisting ENT-NF to enhance the care of ear, nose and throat patients is sincerely appreciated. Please make checks payable to ENT-NF and mail to:

ENT-NF

Certification Examination in Otorhinolaryngology and Head-Neck Nursing

The National Certifying Board of Otorhinolaryngology and Head-Neck Nurses (NCBOHN) endorses the concept of voluntary, periodic certification by examination for all otorhinolaryngology and head-neck registered nurses. Certification is one part of a process called credentialing. It focuses specifically on the individual and is an indication of current competence in a specialized area of practice. Board certification in otorhinolaryngology and head-neck nursing is highly valued and provides formal recognition of basic otorhinolaryngology and head-neck nursing knowledge.

The Certification Program is sponsored by the National Certifying Board of Otorhinolaryngology and Head-Neck Nurses (NCBOHN). The Certification Examination for Otorhinolaryngology and Head-Neck Nurses is administered for NCBOHN by the Professional Testing Corporation (PTC), 1350 Broadway, Suite 800 New York, NY 10018 (212) 356-0660, www.ptcny.com. Questions concerning the examination should be referred to PTC.

Eligibility Requirements:

1. Currently licensed as a Registered Nurse in the United States or the equivalent in other countries.
2. Recommended at least three years of experience in otorhinolaryngology and/or head-neck nursing practice.
3. Completion and filing of an Application for the Certification Examination in Otorhinolaryngology and Head-Neck Nursing.
4. Payment of required fee.

Core Curriculum For Otorhinolaryngology and Head-Neck Nursing – 2nd Edition

This text is designed to be used by ORL-HN nurses. The book provides an overview of all aspects of nursing practice for the patient with an otolaryngologic problem or abnormality. It provides a foundation of knowledge for generalist and advanced practice nurses working in every ORL-HN practice setting. In addition, it serves as a basic text for students, nurses, administrators and nurse educators.
