President's Message

Dear Colleagues,

During the American Revolution, the American essayist, Thomas Paine penned, "These are the times that try men's souls". Today, we are fighting a different kind of war, one that could have long lasting effects on the world, just like the American's winning their war for independence. Today's pandemic is affecting every aspect of our lives. New terms such as "Social Distancing", "Safer at Home", and many more in efforts to keep society safe from the Corona virus. Nurses around the world are on the front lines caring for those most in need of comfort and care. Isolated from family and friends, nurses are the people that are there for these vulnerable individuals. My hope and prayers are with each of you.

SOHN continues to work hard to keep each of you informed on what is happening in our organization. As many of you know, Sandye Schwartz is planning to retire from her position after being our Executive Director for many years. The SOHN board of directors has interviewed and voted to accept Margaret Hickey as our new Executive Director. Many of you know Margie as one of our past presidents. Margie has been a member of SOHN for many years and is very excited to take on this new role in her life. Margie will start shadowing Sandye, to learn the role of Executive Director starting July 1st. She will take over starting October 1st. Sandye will still be involved with SOHN and will continue to mentor Margie as needed.

Continuing with upcoming SOHN events, our annual election of officers will begin in July and run through August. The SOHN Board of Directors voted several years ago to begin electronic elections. With so much change in large group gatherings, it now seems fortunate that this change was made, so it will have little effect on our Business Meeting in September.

2020, the Year of the Nurse, is truly becoming a year that we will all remember for a long time. Thanks to the hard work of each nurse and health care worker, lives are being saved. Keep calm and keep doing things to keep yourselves, your families and your patients safe.

My prayers are with each of you,

Chester Hilton

SOHN's 44th Annual Congress and Nursing Symposium

The 2020 SOHN Congress and Nursing Symposium is going Virtual!

Due to the COVID-19 Pandemic, the 2020 Annual Meeting is moving to a virtual platform instead of our usual stellar in-person event, previously scheduled to be held in Boston, Massachusetts.

SOHN has now developed another revolutionary event virtually. Tune in for four consecutive days, September 11-14. You will enjoy the same outstanding programming, inspiring speakers and virtual networking - all the aspects that you have come to enjoy at SOHN conferences.

General Information

SOHN Registration Includes

- Admittance to All SOHN Educational Programs (ORL Nursing Pharmacology Day requires an additional fee)
- Access to Online Handouts
- Virtual Business Meeting
- Virtual SOHN Exhibit Hall
- Virtual Poster Presentations
- Contact Hours
- Virtual President's Reception

Live Viewing

Things to consider as you plan for this event:

- Ensure that you have a dedicated computer for the event
- The computer has audio and video capabilities
- You may also choose to broadcast to more than one attendee if you have a dedicated conference room at your site, but make sure that only those who are registered are attending/watching the videos
- We will provide more instructions as we get closer to the event to help you test your technology prior to the day of the event.

Recorded Viewing

Recorded viewing at your convenience will be available until November 15, 2020. This will allow you to view all available sessions.

Non-Members

Non-member Registered Nurses and LPNs/LVNs may apply, pay dues, and obtain Member rates for Congress at the same time, resulting in savings on Congress registration. Eligible non-members are encouraged to become SOHN members at this time. Those ineligible for membership may receive our publications and mailings by becoming a subscriber and are welcome to attend Congress.

Registration Deadline August 28

SOHN Member \$249; Non-Member \$499

Course Information

Registered attendees can earn **42.5 contact hours**, depending on sessions attended at the 2020 SOHN Annual Meeting through attendance at the ORL Nursing Pharmacology Day, Opening Ceremony, General and Closing Sessions, Special Interest Group Meetings, Exhibitor Showcases, concurrent sessions and poster session. Contact hour totals are based on the 60 minute contact hour as outlined by ANCC.

Conference Outcomes

- Empower ORL nurses to disseminate and incorporate the knowledge gained at Congress in their daily practice.

- Engage ORL nurses in an environment of peer networking, collaboration and rejuvenation.
- Enlighten ORL nurses at all levels of professional roles and responsibilities.

Accreditation - Nursing Contact Hours

The Society of Otorhinolaryngology and Head-Neck Nurses is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Accreditation as an American Nurses Credentialing Center's Commission provider refers only to its continuing nursing education activities and does not imply ANCC Commission on Accreditation endorsement of any commercial products.

The maximum number of nursing contact hours attainable for this program is **42.5 hours**.

Successful Completion

To successfully complete the education requirements of the SOHN Annual Meeting, registered attendees will be required to provide:

- Completion of the session evaluation through the online evaluation process

Evaluations and Nursing Contact Hour Certificates

Each participant will receive a unique identifier via email from Express Evaluations to use on a dedicated website. You must complete both program and session evaluations to receive contact hours and to print your certificate. In addition to a certificate, you will also receive a print out of the sessions you attended. You can even direct your certificate to your email address and print it out at your leisure. And, if you lose your certificate, you can print it again. The immediate feedback will also assist the SOHN Education Committee in planning next year's program.

Caring for the Caregiver: Stories and Songs

Aubrey Atwater
Elwood Donnelly

Aubrey Atwater and Elwood Donnelly are accomplished folk music performers from Rhode Island who have performed nationally and internationally. Aubrey and Elwood play numerous musical instruments and perform American Appalachian and Celtic traditional folk dances. Additionally, they have recorded thirteen albums and have written several books.

In May of 2019, their son, Uriah Donnelly, was diagnosed with adenocarcinoma of the sinuses. He underwent surgical intervention and reconstruction followed by chemotherapy and radiation. His restaging scans done in December 2019 were promising.

Uriah's parents are deeply involved with music therapy for patients undergoing active treatment and they promote music therapy for the recuperative benefits for the patient as well as caregivers. Aubrey and

Elwood wish to share their significant talents with SOHN members and to assist attendees in discovering and enhancing the talents we all possess.

Closing Session

Monday, September 14 • 3:00-4:00

Emergency Response During the Boston Marathon

Aaron K. Remenschneider MD MPH

On April 15, 2013 at 2:49 PM during the annual running of the Boston Marathon, two improvised explosive devices were detonated amidst crowds of spectators near the finish line. Three individuals lost their lives and hundreds of others were wounded. Dr. Remenschneider was part of the care team at Massachusetts Eye and Ear Infirmary that day where scores of patients with head, neck and ear injuries were treated. He is the lead author on the paper examining the effects of blast injury on the auditory pathway in survivors of the Boston Marathon Bombing. He now leads a multidisciplinary research group focused on improving the treatment of blast related ear injury.

to community (cities of Baltimore and Aberdeen) and global settings (Nigeria). Dr. Pandian is passionate about educating care providers on the best multidisciplinary approaches to improving outcomes of critically ill patients with airway issues. She also excels in mentoring high school and college students by helping them participate in research, quality improvement efforts, and evidence-based projects, and eventually publishing their work successfully. She has served as a director of practice, education, and research for the Johns Hopkins Airway Program that includes the Tracheostomy and Difficult Airway Response Programs. She is currently the associate director of the Doctor of Nursing Practice (DNP) -Executive and DNP-MBA programs, director of the Research Honors Program, president of the Sigma Nu Beta at-large chapter, and vice president of the Society of Otorhinolaryngology Head and Neck Nurses. Her entrepreneurial work surrounds developing, implementing, and evaluating various products and programs. She has been an active member of SOHN for the last 11 years. In the 11 years, she has been involved with several committees both at the MD/DC chapter and the national level. At the local chapter, she is currently serving as the President and at the national level, she is serving as a member of education committee, research and practice committee, and the editorial board. She has presented at several conferences and published 50 manuscripts related to tracheostomy and airways. The most important qualifications that she possesses are her interest in the organization and her desire to become an ORL nursing leader. She considers it an honor to serve as a Vice President at the SOHN.

Position Statement:

SOHN is a unique nursing organization that supports very specialized ORL nurses. If elected to serve as the President-Elect, I would support the SOHN organization so that it will be central to the development of national education and research initiatives to fostering the professional growth of the ORL nurses within the organization through association with other institutions and organizations. I will abide by the job description of a President-Elect as described in the SOHN Bylaws. One of my goals, in addition to learning from the SOHN president, is to see that every ORL nurse is engaged in SOHN. ORL nurses like other nurses face challenges such as staffing shortages, lack of control in workplace, and misaligned policies and regulations that can lead to burnout. I would like to use this leadership opportunity to help improve ORL nurses' experiences and work cultures while embracing inclusiveness and diversity. I also want to increase the visibility of ORL nurses among all nurses and other healthcare professions. SOHN offers a pathway for advancement of ORL nurses, and I would like to be a continuing part of ensuring this vision of a dynamic organization.

- Champion's Challenge Coordinator 2007-2009

Michigan Council of Nurse Practitioners 2001-2004

Membership Committee Member 2002-2003

Qualifications for this Position:

I have experience in many leadership positions within the VA and SOHN. I have developed the interpersonal skills needed to work with others in times of challenge, to discuss options, and to lead change. In addition, I am able to discuss membership growth ideas, envision mentorship opportunities and provide podium and poster presentations to large groups. Evidence of these group efforts may be noted in the recent achievement of Chapter Excellence Award given to the newly established Southeast Michigan Chapter of SOHN in 2019.

Position Statement:

I was introduced to SOHN when I first started with our local ENT department at the VA Ann Arbor Healthcare System in 2000. The ENT care manager told me I needed to join the Society of Otorhinolaryngology and Head-Neck Nurses to learn more about ENT and to stay current with the changes in our practice- and she was right. This organization has taught me so much! We are involved in the clinical guideline creation, review and publishing with the American Academy of Otolaryngology - Head and Neck Surgery Foundation and critically involved in conducting clinical research for establishing Evidence-Based Practice in our specialty. We provide multiple learning opportunities and programs along with continuing education. This is the place to be for ENT nurses!

I have experienced firsthand the networking and supportive environment of SOHN and have sought and found ways to become a more valued member. The early mentorship I received has inspired me to be a mentor to others in our specialty. From orienting new nurses in our clinic, sharing expertise with the community, establishing a local SOHN chapter and serving in leadership roles within the organization, I have aspired to create an even larger network of nurse-led opportunities.

I look forward to serving as your next President Elect, continuing my growth and continuing that mentorship environment for our nurses. Thank you for considering me for this position.

Candidate for the Position of Vice-President

Maria Colandrea

DNP, NP-C, CORLN, CCRN, FAANP

Years of SOHN Membership: 8.5

Educational Background/Significant Achievements/Career Highlights/Awards:

Dr. Maria Colandrea is a nurse practitioner specializing in otolaryngology at the Durham Veterans Administration Medical Center and adjunct clinical faculty at Duke School of Nursing. She received her bachelor's degree in nursing from Plattsburgh University, her master's and Doctor of Nursing practice from Stony Brook University. Her excellence in clinical practice and leadership is demonstrated by her elected position on the SOHN Board of Directors, national appointments as APRN Chair, induction in Sigma Theta Tau and induction as Fellow of the American Association of Nurse Practitioners. She has had multiple publications and has represented SOHN on two clinical practice guidelines; "Evaluation of a Patient with a Neck Mass" and "Meniere's Disease Guideline". Dr. Colandrea has been the literary award recipient through SOHN, selected as North Carolina Nurse of the Year and received Nurse Excellence Award for the Durham VA. These honors demonstrate her exceptional commitment to SOHN and the nursing profession.

Affiliation with SOHN and Other Professional Organizations:

Dr. Maria Colandrea has been a SOHN member for 8.5 years. She has presented at the last six Annual SOHN conferences and served as an abstract reviewer. She was elected to the Board of Directors in 2018 and was lead faculty for the SOHN Scoping Course at the 2019 Congress. Dr. Colandrea has led the development of tracheostomy modules for the SOHN Online School. In addition to SOHN, Dr. Colandrea is active in the American Academy of Nurse Practitioners (AANP), where she was inducted as a fellow in 2017. She provides ENT lectures for the AANP and serves as an abstract reviewer. She is also active in the North Carolina Nurses Association.

Qualifications for this Position:

My experience as an otolaryngology nurse practitioner, nursing leader and educator will enable me to bring an important skill set to help lead SOHN as Vice President. I was elected to the Board of Directors, which afforded me a unique perspective of the internal workings and priorities for SOHN. Most importantly, I value SOHN and believe in the mission, to develop professional growth of the ORL nurse through education and research. SOHN is a special organization, and I am dedicated to its success.

Position Statement:

I am honored to be nominated to SOHN's Vice President position. If elected, I will dedicate my time and efforts to uphold SOHN's mission, which is to develop the professional growth of the ORL nurse through edu-

cation and research. I have been a SOHN member for 8.5 years and have contributed in many ways to promote the mission and help the organization fulfill its goals. SOHN has provided me with invaluable opportunities to share my expertise and network within our specialty. With your vote, I want to help promote those opportunities to other members. SOHN offers the unique opportunity and advantages within our otolaryngology field. I have had the privilege of serving on the Board of Directors, as well as, representing SOHN in writing national guidelines for the 'Evaluation of a Neck Mass' and 'Meniere's disease'. I have presented at multiple Congress', organized and led courses, as well as reviewed poster abstracts for Congress. I hope my dedication to SOHN is evident by my continued contributions. I am asking for your support and vote to represent the SOHN as Vice President.

Qualifications for this Position:

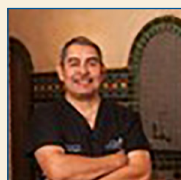

I have been a member of SOHN since 1994 when I first started working as a nurse practitioner in ENT. I have served in various capacities in the organization and am currently the Secretary on the SOHN Board of Directors. I would love to continue in this position as I have learned so much and have so much more to learn from my fellow Board members and wonderful SOHN members.

Position Statement:

"We live in an ever changing world" has never been more evident than in 2020. In this year which has been designated by the World Health Organization (WHO) as the Year of the Nurse and Midwife, the world is

once again seeing the power of nurses. We, as nurses, have always known the determination, resilience, strength and compassion of our fellow nurses. Recently the entire world has come to know it also. As ORL nurses, we have always adapted and changed to the needs of our patients. We have helped them through procedures, surgeries and life events by educating and supporting them. I know that all SOHN members will help our patients achieve their best outcomes as we continue to be educated ourselves through the many learning opportunities offered by SOHN. Let's make the Year of the Nurse and Midwife be a time to celebrate all the amazing and dedicated ORL nurses of SOHN.

I am committed to the nursing profession, and enjoy promoting its development. I am enthusiastic to become more involved in SOHN since my transition into head and neck cancer nursing two years ago. I am well organized and a dependable, self-motivated worker!.

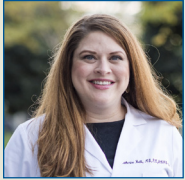

Position Statement:

I wish to be considered for SOHN's Nominating Committee. During my two years of membership in SOHN, I have been warmly welcomed by both national and local chapter members! I hope to promote this positivity to other new members as I accrue my tenure within the organization. I will advocate for increasing our membership in all subspecialties of otorhinolaryngology and head and neck nursing, with the goal of fulfilling our mission of fostering professional development for all members. If each of our current members could bring one new member to SOHN, it would double our membership! We can accomplish this if we work together and encourage

I work well with multidisciplinary teams. I am relatively new to SOHN and would like to bring a fresh perspective to the table.

Position Statement:

I am enthusiastic about giving my time and energy to this important role. While I have not taken a leadership role as an SOHN member, I am very interested in taking a more active role within SOHN. I have excellent communication skills, organizational skills, strong interpersonal relationships and feel that I can bring a fresh perspective to the Nominating Committee.

Core Curriculum For Otorhinolaryngology and Head-Neck Nursing – 2nd Edition

This text is designed to be used by ORL-HN nurses. The book provides an overview of all aspects of nursing practice for the patient with an otolaryngologic problem or abnormality. It provides a foundation of knowledge for generalist and advanced practice nurses working in every ORL-HN practice setting. In addition, it serves as a basic text for students, nurses, administrators and nurse educators.
