President's Message

My Fellow SOHN Members,

2020 was a year like no other! I am happy to see it in my rear-view mirror and hope that 2021 brings back the open road, face-to-face time with family and friends, and a return to normalcy. The much anticipated vaccine for the COVID-19 virus is being distributed as the ink dries on this message. 2021 holds a promise to be a better year. Until the majority of us are vaccinated for COVID-19 and the virus contained, the pandemic will continue to devastate, and we must continue to observe the precautions to help keep ourselves and others safe. As nurses, we have taught that handwashing reduces the spread of not only COVID-19, but so many diseases.

As we move into the New Year, I hope you will consider applying for one of the many awards that SOHN has available for members. Further information and application process can be found on our website, www.SOHNnurse.com.

they can offer educational opportunities for SOHN members and other ORL nurses in venues such as Yale School of Nursing. They are a small but hard working and friendly group. Thank you, all of the Connecticut Chapter members, for your efforts in representing SOHN to the ORL nurses of your area and all that you do for ORL patients.

So, as we say a happy farewell to 2020, let us look forward to a brighter and healthier 2021.

A Revolutionary SOHN / ENT-NF Event: The First Virtual Annual Congress and Nursing Symposia

The Congress Education Program Committee began to plan for the 44th Congress “Revolutionary Advances in ORL Nursing” scheduled for September 11-14, 2020 in November 2019. Little did the Planning Committee, Maggie Chesnutt, Sharon Jamison, Jennifer Spellman, Chester Hilton, Sandye Schwartz, and Sara Wheeler, know at the time that the Congress would not be held in Boston as planned. Instead, due to the COVID-19 Pandemic, the 44th Congress would be held virtually via Zoom. The Baltimore/DC Chapter had held their spring meeting as a virtual event with the help of Vinciya Pandian and Maria Colandrea. Vinciya became the Zoom Guru and began in earnest to get the Planning Committee prepared and ready to host Congress. By the time, the Virtual 44th Congress was offered Margie Hickey, Michele Farrington, and Anne Bigelow had joined the Planning Committee to help coordinate the meeting. Many thanks go out to John Hopkins School of Nursing (JHSON), their Instructional Technology Department, and Vinciya Pandian for providing access to Zoom through their account.

The Congress Education Program Committee was dynamic, organized, and committed to ensure the 44th Congress reflected what you, the membership, wanted. The Committee used your input through Special Interest Group meetings; evaluations (local, regional, annual meetings); and the National Educational Committee needs assessment. They also identified the best possible speakers for the topics and skills you requested. The speakers either participated entirely “live” or pre-recorded their presentations followed by real-time questions and answer sessions. Pre-recording the presentations helped to facilitate a smooth flow to the “virtual Congress.” The Pharmacology course, pre-conference meetings and all sessions of the 44th Congress were recorded and made available on-demand via the SOHN website for those who were registered for the meeting. The on-demand recordings allowed registrants to listen to

any sessions that they may have missed and maximized the potential number of ANCC contact hours available. Therefore, a total of 34.75 ANCC Contact Hours were available for the 44th Congress and Nursing Symposia and 6 ANCC Contact Hours for the Pharmacology Course. Increasing the number of contact hours available to members became possible with the virtual event and responds to the request of SOHN members as captured in the National Education Committee’s Needs Assessment.

Our President, Chester Hilton and the SOHN Board of Directors were helpful in determining the fee structure for Congress. We could not look half as good without SOHN’s Administrative Team, Sandra Schwartz and Cory Parker, who worked diligently all year round behind the scenes. Evaluations from the attendees rated the learning outcomes for the 44th Congress at 4.9 out of 5 which is excellent! Individual speaker evaluations were compiled with an overall mean score of 4.9 as well. It takes a TEAM to put a quality program together and I am so proud of our SOHN Team! Kudos to all, the speakers, moderators, coordinators, congress planning team, and our techies, for making 2020 SOHN Congress a success during a time of adversity!

The 2021 Congress Education Committee (Sharon Jamison, Jennifer Spellman, Helen Kim, Chester Hilton, Margie Hickey, and Sara Wheeler) have already begun the planning for our 45th Anniversary Event and 2nd Virtual Congress, “Overcoming Challenges in a Changing World.” The pre-conference Pharmacology Day will be offered on Friday, September 25. And the 45th SOHN / ENT-NF Annual Congress and Nursing Symposia will be held October 1-3, 2021.

Evaluations from the 2020 Congress, information gathered at the SIG meetings, evaluations from regional and local meetings, and the SOHN Needs Assessment are being used by the Congress Planning Committee

as they strive for excellence in designing and planning the education meeting. This is made possible by all of you who took the time to evaluate the national sessions, local, and regional meetings and provided your comments. So please continue to provide your feedback on evaluation forms or via email. We want to shape our educational events to meet YOUR needs.

Lastly, I encourage and challenge you to consider attending the Virtual Spring Seminar Series this Spring. The Pediatric Day will be April 8, 2021 is being coordinated by the very talented Melissa Raines, CPNP, APNP. The Adult Day follows on April 9, 2021 and is coordinated by Bryan Facione and Karen Ulmer. Any member who is willing to present or has a presenter recommendation for a SOHN educational program, please contact me personally at wheeler1200@sbcglobal.net or call 765-366-6609.

The 45th SOHN / ENT-NF Annual Congress & Nursing Symposia will be held virtually again in 2021 on October 1-3 with the virtual Pre-Conference Pharmacology Day on September 25, 2021. Three lectureships are available through ENT-NF and these are accompanied by a monetary award. The application criteria is outlined on the SOHN website via this link, <https://sohnnurse.com/professional-development/lectureships/> The deadline for applications for the Kalynn Quinn Hensley Head-Neck/Laryngology, the Cynthia Mabry Otolaryngic Allergy, and the Lois Moore Rogers Pediatric Lectureships is January 31, 2021. It is a great honor to receive a lectureship and we love to bestow this honor on our members.

Members Corner Dedicated to the special achievements of SOHN members

International Recognition of 3 SOHN Outstanding Nurse Leaders.

Drs. Maria Colandrea, Vinciya Pandian, and Erin Ross were conferred as fellows into the Faculty of Nursing and Midwifery at the Royal College of Surgeons in Ireland (FFNMRC SI Ad Eundem). Fellowship Ad Eundem is awarded to candidates in recognition of outstanding work and/or exceptional leadership in the profession of nursing/midwifery; those who have given significant service to the profession or the Faculty of Nursing & Midwifery; and those who have positively influenced and impacted on health and society. These SOHN members are recognized for their contribution to the airway management of patients who are mechanically ventilated.

Maria Colandrea,
DNP, NP-C,
CORLN, CCRN,
FAANP

Dr. Maria Colandrea is a nurse practitioner who specializes in

general otolaryngology at the Durham VA Medical Center and adjunct faculty for Duke School of Nursing in the Advanced Practice Nursing program. She received her bachelor's degree in Science at the State University of New York at Plattsburgh and her Master's in Science and Doctorate in Nursing Practice at the State University of New York at Stony Brook. She was awarded the Nurse Excellence Award at DVAMC in 2016, NCNA practice nurse of the year 2017 and Great 100 nurse of North Carolina in 2017.

Dr. Colandrea is the Chair of the National VA APRN Council which represents all four roles (certified nurse practitioner, clinical nurse specialist, certified registered nurse anesthetist, certified nurse midwife) of APRN practice. Under her leadership, APRN qualification standards, the National APRN website, a quarterly National APRN newsletter and quarterly town halls, were developed.

Dr. Colandrea is the Vice President for SOHN and ENT-NF, and President of her local North Carolina SOHN Chapter. She served as SOHN's expert representative to the American Academy of Otolaryngology- Head and Neck Surgery in the development of Neck mass and Meniere's Disease Guidelines and is an esteemed national and international nurse speaker. Maria is a nationally certified otorhinolaryngology head and neck nurse and a Fellow of the American Association of Nurse practitioners (FAANP).

Vinciya Pandian,
PhD, MBA, MSN,
RN, ACNP-BC,
FAANP, FAAN

Dr. Pandian earned a bachelor's degree in nursing at Christian Medical College at Vellore, India; master's

and PhD degrees at the Johns Hopkins School of Nursing; and an MBA at the University of Baltimore. a Fellow of the American Association of Nurse practitioners (FAANP) and a Fellow of the American Academy of Nursing (FAAN). Her entrepreneurial work surrounds developing, implementing, and evaluating various products and programs.

Dr. Vinciya Pandian is internationally known for her clinical expertise in improving the care, safety, and quality of life of tracheostomy patients and is a member of the Global Tracheotomy Collaborative. Her primary scientific work, funded by the National Institute of Nursing Research (R01NR017433), focuses on identifying signs and symptoms of laryngeal injury post-extubation in the intensive care unit. In addition to ICUs, her research expands to community (cities of Baltimore and Aberdeen) and global settings (Nigeria).

Dr. Pandian is passionate about educating care providers on the best multidisciplinary approaches to improving outcomes of critically ill patients. She also excels in mentoring high school and college students by helping them participate in research, quality improvement efforts, and evidence-based projects, and eventually publishing their work successfully.

Dr. Pandian has served as a director of practice, education, and research for the Johns Hopkins Airway Program that includes the Tracheostomy and Difficult Airway Response Programs. She is associate director of the Doctor of Nursing Practice-Executive Program, director of the Research Honors Program, president of the Sigma Nu Beta at-large chapter, and President Elect of SOHN and ENT-NF. She was the 2020 recipient of the SOHN Outstanding Service Award.

Erin J. Ross
DNP, APRN, CNP,
CORLN, FAANP

Dr. Erin Ross is a board-certified adult nurse practitioner in the Head and Neck Institute at

Cleveland Clinic. Dr. Ross has been a registered nurse (RN) for 30 years and a nurse practitioner (NP) for 21 years. She holds certifications from ANCC as an adult nurse practitioner and in the specialty of Otorhinolaryngology (ENT) nursing. She has been active within the Society of Otorhinolaryngology-Head & Neck Nurses in the roles of national Vice President, Board of Director and Government Relations Chairperson. Dr. Ross is currently the Communications Director for OAAPN.

In June of 2020, Dr. Ross was inducted into the American Association of Nurse Practitioners as a Fellow of the Academy for her lifelong work in nursing education and health policy. Dr. Ross continued her education in facial rejuvenation and aesthetics at the American Academy of Facial Esthetics as a nurse practitioner injector. She is a member of the aesthetics team at VIO Med Spa in Solon, OH.

Congratulations
Mara, Vinciya and Erin!

Ear, Nose & Throat Nursing Foundation

The Ear, Nose and Throat Nursing Foundation (ENT-NF) was founded in 1997 to enhance the care of the ear, nose and throat patient, by advancing the art and science of nursing through education and research funded by donations from individuals, corporations and healthcare providers. Donations will be used for educational programs designed to enhance care delivery and prevention of disease for the otolaryngology population; support research initiatives to improve the health of patients with ear, nose and throat disorders; and to provide educational programs to increase the knowledge of healthcare professionals interested in ear, nose and throat nursing care.

If you have not already made your donation to the Ear, Nose, and Throat Nursing Foundation to honor Sandye, please do so today! We have raised over \$30,000 to support the

establishment of the Sandra L. Schwartz Keynote named lectureship. Your donation honors not only Sandye but all our founding members, for without them, we would not

have the opportunity to advance our practice as an ORL and Head-Neck specialty.

Your support in assisting ENT-NF to enhance the care of ear, nose and throat patients is sincerely appreciated. [Donate online](#) OR send your tax-deductible contribution to headquarters. Make your check payable to ENT-NF and mail to: ENT-NF, 362 Gulf Breeze Parkway, #137,

Gulf Breeze, FL 32561 (Your contribution to ENT-NF is tax-deductible.) Thank you for your support!!

Join a SOHN Committee Now

The Committees of SOHN form the foundation of the organization. Please review the following descriptions of the committees and their functions. Plan to volunteer to serve as a member of the committee of your choice. All committees are led by experienced, enthusiastic nurses who welcome your participation. Please send an email to info@sohnnurse.com with the committee(s) you are interested in joining.

National Education Committee:

The National Education Committee promotes the educational growth of SOHN with a focus on Professional Education as well as Community Education. Nurse Planners assist the Director of Education in the development, implementation, and evaluation of educational programs, local/regional, and national. Other nurse members serve as program chairpersons, on planning committees, as room moderators and coordinators and on the professional exhibit group. Commitment

and enthusiasm are prerequisites. Sense of pride, satisfaction and accomplishment are guaranteed. Nurse Planner Defined by ANCC, "A registered nurse who is responsible for planning, developing, implementing, and evaluating continuing education activities. For an accredited provider, the Nurse Planner must be prepared at the graduate level, with one degree – baccalaureate or graduate – in nursing."

Health Policy and Advocacy Committee:

The focus of the Health Policy and Advocacy Committee is to keep abreast of new legislation and regulations affecting nursing practice, education, and research. The committee supports legislation and legislative activities on both the state and national level. It provides a venue to introduce nurses to the regulatory and legislative process and mentorship as one becomes politically active.

Membership Enhancement Committee:

The Membership Enhancement Committee promotes the professional growth of individual members, as well as, enhancing the organization and development of chapters. This committee assists with recruitment, recognition, and retention activities.

Practice and Research Committee:

The Practice and Research Committee identifies and prioritizes practice issues and develops/reassess standards of practice and guidelines. The committee also promotes research in otolaryngologic and head and neck nursing. This research will expand the body of nursing knowledge, provide a solid base for our practice, and ultimately advance the profession of nursing. Members are selected based on their strengths and expertise in otology, general ORL and head-neck nursing and will be assigned specific activities to advance SOHN's practice and research goals.

ORL and Head-Neck Nursing Journal is seeking manuscripts!

The Editorial Committee is actively seeking manuscripts of interest for our peer-reviewed Journal. ORL and Head-Neck Nursing Journal is the only nursing journal dedicated to our specialty. Topics of interest include clinical papers addressing ORL and head and neck oncology topics including research, reviews, case reports, overviews of surgeries and clinical procedures, and nursing leadership. Guidelines for authors can be found on www.sohnnurse.com
