President's Message

Dear SOHN Members,

When it is time for eaglets to fly, the mother begins to flap her wings over the nest with great force, pushing the young birds closer and closer to the edge of the nest until they are finally pushed out of the nest, and the eaglets begin to fall. The power of flight is within the small eaglets, so they start flapping their wings while free-falling without much success at first. Then just before falling to a certain death, the father eagle will swoop down and catch them. This process is repeated over and over again until the young eaglet can fly by itself. The lesson of flight comes without warning for young birds; we all have had to embrace change and soar to new heights with the pandemic that came to us without much warning.

One thing that the pandemic has taught us is that change is the only constant around us and within our Organization, and over the year or so, several changes have occurred for the best of our Organization.

Here are ten significant changes that have taken place since the pandemic:

1. We were able to offer virtual educational contact hours without missing a beat.
2. We hired a management company, Affinity Strategies, to provide administrative support for our Organization. They have helped us in Congress planning, day-to-day operations, and much of our communication efforts.
3. We were able to increase the frequency of SIG meetings from once a year to three times a year as per the members' requests.
4. We also transitioned from hardcopy journal to online e-journal and hardcopy Core Curriculum book to online e-book.
5. In alignment with ANCC's guidelines, the SOHN education director is now called the Accreditation Provider Program Director.
6. We added a new role of education coordinator to the education committee.
7. We created a new accreditation task force to be able to successfully apply for renewal of accreditation from the American Nurses Credentialing Center.
8. Our website received a completely new facelift using a different platform called Memberclicks, which allows more automation and the ability to keep track of our activities more effectively.
9. We partnered with a medical institution (Children's Hospital of Philadelphia) to host an annual congress meeting for the first time ever.
10. We brought our credit card liabilities to zero.

As John Maxwell says, change is inevitable, but growth is optional. We, as an organization, will continue to grow and reach newer heights. Thank you for being part of this Organization's journey.

Budget

- Compare budgeted amount to actual amount spent This was reviewed at the July 12 Board meeting. Provided input on deciphering vague areas on the budget line.

Strategic Plan Report

- Strategic Goal: Organizational Growth-Membership
 - Objective as outlined in strategic plan or identified for the year: Increase of general membership by 5% of current SOHN membership. Increase of membership in the west and southwest by 2% of current SOHN Membership.

- Action steps planned: Create Marketing strategies to attract additional members (incentives/ discounts),
- Establish a national virtual chapter. Contact ex-SOHN members in the western and southwestern regions by email and request them to renew their membership. Establish a sub-committee with champions from the current members of the west and southwest regions to generate ideas to engage ORL nurses.
- Responsible party President and Chapter Coordinator
- Proposed timeline: Marketing 4/30/22, virtual chapter 10/15/22, contacting Ex- SOHN regional members 4/30/22, Subcommittee establishment 6/30/22.
- Evaluation: Currently we have surpassed our growth goal after the membership drive, with 341 members, up from 240. I do not have data on regional growth, but would be ideal to look at this. Marketing efforts have been in progress with an updated website, social media posts, linking with chapter presidents and incentives/discounts for inviting more members to join. I do not believe a sub-committee has been developed. I recommend the membership committee follow through on the strategic plan goals and link with the chapter coordinators for regional development.
- Strategic Goal: Diversity and Inclusiveness:
 - Objectives: Within Sub- specialties of ORL Nursing, goal was to increase membership by 5% in allergy specialty and perioperative ORL nursing. Increase international membership by at least 15 members.
- Action Plan: Create flyers that highlight the benefits for allergy specialty and perioperative ORL nurses to join SOHN. Reach out to current members of Allergy specialty and Perioperative nurses and ask them to increase awareness of the benefits of joining SOHN to their colleagues. Develop relationships with 5 ORL nurses in Canada by May 15, Ireland by 7/1, Australia by 10/1/22.
- Record spring meeting and congress meetings so that members from other countries can access them at their convenience .
- Responsible Party: SIG Coordinator, Membership Enhancement Committee chair.
- Timeline: Flyer creation by 5/30/22, reaching out to allergy specialty nurses 7/30/22, reaching out to perioperative ORL nurses 9/30/22. International growth goals with timelines listed.
- Evaluation: I am not aware that any data has been reported on specific growth in these target areas of allergy and perioperative nurses. The goal should be directly linked to the membership committee to collaborate and help with growth of membership in these key areas. The membership committee and leaders of these SIG groups should connect. I would like to see Affinity Strategies look at our data on our membership growth to determine if goals are met. Membership committee has not connected internationally as of yet and this goal can still be attainable. Spring meeting was recorded and available internationally.

Proposed Bylaws Changes

The proposed bylaw changes below and on the next page were made public in the July 2022 Update Newsletter. At Congress this past September, a quorum of members officially voted to pass the presented language, and will be in affect January 2023.

Article III: Section 5: Dues	
Current Language	Approved Language
B. Chapter Dues: 60 days prior to the member's renewal date an annual dues bill for chapter and national dues will be sent to each member. The member shall complete the form and return it together with chapter plus national dues to the treasurer by March 1. A late penalty will be charged for those dues received after March 1. When the dues are received the form will be processed, a membership card sent to the member, and a check for the amount of chapter dues forwarded to the chapter treasurer on a biannual basis. - Membership application forms for new members shall be sent annually, and as may be needed, to the chapter treasurer from the national treasurer. After the application has been processed by the National Credentials Committee, a membership card will be sent to the member, and a check for the amount of the chapter dues forwarded from the national treasurer to the chapter. C. Member at large dues: Renewal notices shall be sent to members at large by national treasurer in the same manner as for chapter members. National and chapter dues will be due March 1. D. Delinquency and reinstatement: - Any member whose dues are not received by April 1st shall be removed from the membership roster and all privileges of the Society withdrawn. - Reinstatement will require application as a new member and payment of current dues.	B. Chapter Dues: 60 days prior to the member's renewal date, an annual dues bill for chapter and national dues will be sent to each member. The member shall complete the form and return it together with chapter plus national dues to headquarters by January 1st. When the dues are received, the form will be processed, and a check for chapter dues forwarded to the chapter president or treasurer on a biannual basis. Electronic Membership application forms for new members shall be sent annually, and as needed, to the chapter president or treasurer from headquarters. After the application has been processed by the Headquarters, a check for the chapter dues will be forwarded from headquarters to the chapter. C. Member at large dues: Renewal notices shall be sent to members at large by national treasurer in the same manner as for chapter members. National and chapter dues will be due January 1st. D. Delinquency and reinstatement: - Any member whose dues are not received by January 30th shall be removed from the membership roster and all privileges of the Society withdrawn. - Reinstatement will require application as a new member and payment of current dues.
